

COMMUNIQUE

VOL. THREE, NO. 16; DEC. 3, 1984

'THE PRESIDENT'S PREFACE'

All about us there is evidence that Christmas is near. Throughout the world, people of all faiths and of no faith bathe in the splendor and beauty of this annual festival. Christmas is a time to remember friends and associates as well as a time to try and help others who are less fortunate.

Here at Lindenwood there will be a number of events to help us observe this beautiful season. The Performing Arts Dept. will be extremely busy with a number of presentations of "Peter Pan." It also is continuing the custom of sponsoring several Madrigal Dinners.

Our second Annual Christmas Walk will be held this Sunday from 4-6 p.m. I hope faculty, staff and students will invite family and friends to come and enjoy the beauty of our campus as it robes itself in holiday glitter. Pat Burns and her committee are making plans to assure that a good beginning to the holidays awaits those who come to be our guests on December 9.

I hope all members of our faculty and staff and their families will join Mrs. Spainhower and me and the members of the President's Council for our annual Christmas Reception on Sunday, December 16, from 3-6 p.m. Members of our Student Government will be assisting as a means of expressing appreciation from the students to the faculty and staff for all they do for them.

So, have a great Christmas here at Lindenwood!
