Sir,

Your letter of the 8<sup>th</sup> inst was rec'd two days since with the enclosures. I enclose You the duplicate a/c of articles furnished You in spring 1827 signed and witnessed. I will endeavor to have the business arranged with Thorp as soon as possible and the papers sent You.

The anti-Jackson men in this quarter are almost to a man in favor of General Ashley for congress. We expect a small majority for him in this county although the Caucus men are making powerful exertions in favor of Wells. I expect these upper counties (Lafayette, Jackson, Clay & Ray will give a small very small majority for Wells. I think the General must be elected. We are personal friends, and politically in agree or nearly so except as to the Presidency- the friends of the candidates are quite active in this County

You have doubtless head of the death of Zachariah Morris, a more honest and witty Young man is not to be found in our part of the country.

Yours,

James Aull
