GINKGO PLANS FALL INTO PLACE

Ballots now are being accepted for predictions on when your campus' three ginkgo trees will drop their leaves. A \$50 prize awaits the student who correctly guesses the correct day. The first Annual Ginkgo Day will be the day after the leaves fall, or on Monday if they fall on Friday.

"We're pulling out all the stops," said Joe Arnold, chairman of Ginkgo Day. "Plans now include ginkgo cookies, ginkgo cider, ginkgo games, a proclamation of Ginkgo Day by St. Charles Mayor Melvin Wetter and the crowning of a king and queen for Ginkgo Day," he added.

A ballot can be found at the bottom of this week's "Communique." Ballots will be accepted in Ginkgo Box 51 of the Post Office through this Friday. Only one entry per student. Make your prediction now for that \$50!

SCIENCE CENTER PROJECT

The Performing Arts Dept. and the St. Louis Science Center have joined forces to present an original play, "Send Us a Lady Physician," which will be performed November 8 through December 13 at the Science Center in Forest Park. The one-woman play, which features Lisa Albert, a senior majoring in performing arts, is in conjunction with an exhibit of the same name. It was written by Marsha Parker, a performing arts graduate student, and Bryan Reeder, a recent M.F.A. graduate of Lindenwood and administrative assistant in the Performing Arts Dept. who also serves as the play's director. "Send Us a Lady Physician" will be performed twice each Saturday from 1-3 p.m. during the six-week engagement. Stop by and see this free production which features Lindenwood students and graduates.
