The Merchant of Venice. April 21, 22, 23, 28, 29, 30. 8:00 p.m. We conclude our Mainstage season with a classic work by the greatest dramatist who ever lived. *The Merchant of Venice* is William Shakespeare's definite examination of love, mercy, justice, and sacrifice and is filled with some of his most remarkable characters. With its beautiful language and intensely dramatic situations, this is a play that speaks to our own time as much as it did to Shakespeare's.
