

# LINDENWOOD COLLEGE COMMUNIQUE

VOL. SIX, NO. 2

JULY 7, 1987

## CONGRATULATIONS - WE MADE IT!

Perhaps you've seen some congratulatory balloons floating around the campus in recent days. Pat yourself on the back because the "Project \$1 Million" exceeded its fiscal 1986-87 funding goal! The fiscal year ended on June 30 with a total of \$1,013,492 in cash and contributions from Lindenwood alumni, college boards, faculty and staff, corporations, St. Charles constituencies and other friends. This is the first time the college ever has raised \$1 million for its annual funds drive during a fiscal year!

## PHONE-A-THON CONTINUES . . .

The Annual Alumni Phone-A-Thon will continue for several more months although the initial fund-raising goal has been met. "We generally call from February through September, depending upon how many alumni we have yet to reach," said Chris Campbell, marketing operations coordinator in the Development Office.

Current pledge totals for continuing and recently-employed workers are Carol Figus, \$57,600; Donna Ziegemeier, \$12,200; Cindy Fehmel, \$6,500; Lisa Tokas, \$5,600; Dennis Glynn, \$3,400; Greg Epley, \$3,000; and Carrie Young, \$2,500. Top alumni volunteer callers are Maurita Stueck ('43), Gerry Jacobs ('83), Florence Crockett ('83), Virginia Terry ('62), Nancy Dietz ('76), Martha Sweeney ('77), Barbara Broadfoot ('70), Pam Thompson ('79) and Jeri Stine ('70). These callers have helped to raise more than \$140,000 in alumni pledges!

Metcalfe, Jr., an attorney with Bryan, Cave, McPheeters & McRoberts in St. Louis, have been elected vice-chairmen of the Lindenwood College Board of Directors. Chaired by Robert F. #### PRESIDENT NAMED TEMPORARY SCCCE CHAIRMAN . . .

Membership includes superintendents of all of the county's public school districts, representatives of private elementary and secondary schools and presidents of Lindenwood, St. Mary's and St. Charles County Community colleges.

"There is a strong feeling among St. Charles County educators," Spainhower said, "that educators and the institutions they represent must be organized sufficiently on a county-wide basis to assure the continuation of quality educational opportunities for all areas of St. Charles County." Establishment of the SCCCE is viewed as a viable means of helping the county as a whole address its growing educational needs in a unified manner, he added. The group will meet September 30 to set goals, adopt bylaws and formalize purposes.
