YOU CAN'T TAKE IT WITH YOU

by Moss Hart and George Kauffman

This warm, zany play details the lives of the Sycamore family who live an enchanted, if somewhat strange life--one that envelopes a full-time occupation of enjoying life to the utmost--much to the dismay of the conservative world around them. A bang-up way to end the season.

LEADER OF THE PACK

(produced in conjunction with the St. Charles Theatre Guild)

This hit Broadway show is a homage to early 60's "Do Wop" music and one of its principal practitioners: Ellie Greenwich. It is a virtual Hit Parade of such songs as "Chapel of Love", "Be My Baby", "Do Wah Diddy", and of course the title song.
