UPCOMING EVENTS

Mainstage Theatre

February 27-29, March 5-7

SUMMER AND SMOKE by Tennessee Williams

One of the great plays of modern American Theatre, *Summer and Smoke* is a profoundly affecting love story of two people who never stood a chance. This passionate play is filled with some of Williams' most beautiful dialogue--a moving work for mature audiences.

April 16-18, 23-25

YOU CAN'T TAKE IT WITH YOU

by Moss Hart and George Kauffman

This warm, zany play details the lives of the Sycamore family who live an enchanted, if somewhat strange life--one that envelops a full-time occupation of enjoying life to the utmost--much to the dismay of the conservative world around them. A bang-up way to end the season.
