Homecoming and Reunion Celebration Oct. 17-20

Student Involvement would like to invite all faculty, staff, and their families to join us for the 2018 Lindenwood University Homecoming and Reunion celebration scheduled for Oct. 17-20.

We have a number of fun events planned for this week that you and your family are welcome to attend. On Thursday, you don't want to miss our biggest event of the year, our "Back to the '90s" Homecoming Lip Sync and Pep Rally at 7 p.m. in Hyland Arena. On Friday night, come out to the LUCC Auditorium at 7 p.m. and watch our culturally-based Greek organizations step and stroll at the Yard Show. On Saturday, start your day by running in the 5K Fun Run/Walk for Backstoppers, Inc. Bring your family and enjoy the Homecoming parade at 10:30 a.m. on the Lindenwood campus, followed by a BBQ/Tailgate in the Field House parking lot at 11 a.m. featuring inflatables and face painting, and food by Nagel's BBQ, Luigi and Raffaele's Pizza and 2 Girls 4 Wheels food trucks. Alumni Village will be held over in the Harmon Parking Lot during this time as well, featuring academic schools, the Black Alumni Council, and Greek Alumni Alliance affinity groups. Finally, stick around for the football game to cheer on the Lions and to find out who our 2018 Homecoming King and Queen will be!

For more information, a full schedule of events, or to sign up for the 5K, please visit www.lindenwood.edu/homecoming.

Homecoming Drivers Still Needed

The Homecoming Committee is still in need of a couple drivers for the Homecoming Parade taking place on Saturday, Oct. 20, from 10:30 - 11:30 a.m.

Please contact Nikki Cornwell at ncornwell@lindenwood.edu if you are available to drive. Thank you!

History and Geography Forum

This semester's meeting of the History and Geography Forum will feature Dr. Ted Cohen (Assistant Professor of History) discussing his research on race in Latin America in a talk entitled: "['La Bamba' and the Politics of Race](#)." The talk will take place on Oct. 30 at 4 p.m. in the Spellmann Center 4105.

Lindenwood's History & Geography Forum is an interdisciplinary venue for students, faculty, and visitors to discuss both current research and the methodological nuts and bolts that underpin the academic study of History and Geography.

First-Generation Faculty and Staff Wanted

The Office of Student and Academic Support Services (SASS) support first-generation students through the First-Generation Collegians program. Were you the first in your family to attend college? Are you a faculty or staff member who self-identified as a first-generation student?

The program is designed to engage first-generation college students and provide academic, social, and support opportunities. This year, we are building a network of faculty and staff who self-identify as first-generation college graduates to support, mentor, and network with current first-generation Lindenwood students.

The program objectives are

1. to identify first-generation faculty and staff who are interested in assisting SASS in efforts to support first-generation students and future programming;
2. to provide students with a support system and engagement with faculty and staff who can guide and equip students with social capital and insight into diverse areas of the academic environment; and
3. to develop relationships between first-generation students and successful first-generation Lindenwood University professionals.

If you are interested in sharing your first-generation story, would like to help develop future program events, or be a part of this social network, please email Dr. Christie Rodgers at crodgers@lindenwood.edu for additional details.
