***Insight* Begins 25th Year**

Insight, LUTV's longest running show, begins taping its 25th year this week. The show is available nationally and in addition to reaching households in the St Louis Metropolitan area, it reaches almost 300,000 households in Louisiana, Iowa, Maine, Massachusetts, South Carolina, North Carolina, Wisconsin, California, Connecticut, and Indiana. Hosted by Dr. Joseph Cernik, Professor of Political Science & Public Administration, *Insight* features Lindenwood students discussing public affairs books.

Veterans Success Centers Participate in Memorial Stair Climb

On September 11, 2018, the St. Charles and the Belleville Veterans Success Centers attended the Brevity Fitness 9-11 Memorial Stair Climb at Monks Mound to honor the efforts by first responders at the World Trade Center.

In attendance were over 300 people from the local area including first responders in full gear to experience what their brothers and sisters went through that fateful day.

“It was quite an experience and one that changed my life” said Debbie Suttles.

“Even though it was very difficult, I am looking forward to doing this again next year,” said Belleville veteran student Jessica Brett. Nia Spencer said “climbing nine laps without a break had my calves sore for a week straight, but it was all worth it. My heart goes out wholeheartedly for all the first responders that had on full gear, I cannot imagine how that felt”.

We are already planning for next year to have a bigger Lindenwood presence.
