

Never Mind

Brigita Martin

Hey, how's it going?
Fine.
What are you working on?
Just stuff. Why do you ask?
Never mind.

Do you want to watch a movie with me?
Okay.
What are you sitting over there for? How about we sit on the couch?
Why? I can see it.
Never mind.

Do you want to go to dinner?
No, I have a headache.
But it's our anniversary...
I just can't deal with it tonight. Not now.
Okay... never mind.

Why don't you ever talk to me?
You didn't ask.
Do I have to ask for everything? Why can't you be more sensitive?
But I ask you how you're doing, and you turn me away. Do you think that
that invites me to open up?
What?! I don't do that! How could you say that?
Never mind.
