Selection Process

Employee Fellows will be selected by the respective Lindenwood Learning Academy advisory committees. Applications will be evaluated for creativity, feasibility, and potential benefit to the Lindenwood system, and will undergo initial review anonymously to assure impartiality.

The Employee Fellow Program provides an opportunity for Lindenwood's full-time employees to practice leadership in areas of professional development. LARC and Road Closures

The following maintenance projects will result in building or road closures on the St. Charles campus.

- On Saturday, July 7, the LARC will be closed for necessary HVAC work. A crane will be placed in front of the building to lift equipment on and off of the rooftop. For safety reasons, please do not go into the building on July 7.
 - There will be intermittent road closures around Sibley, Ayres, and Butler halls between now and the middle of July. The road closures are necessary to replace the old water line in the tunnels and require the contractors to bring the water line across the road. Public Safety will place cones and barricades, when necessary, to block the road. Parking will continue to be available in the Roemer Hall parking lot and in front of Roemer Hall and Butler Library.
-
