PEOPLE, NEWS & NOTES

COMMUNICATIONS SURVEY SHOWS GOOD RESPONSE

More than 380 Communications Surveys were distributed and over 19% of the students have responded. This percentage exceeds the 10%—15% return rate required for a successful survey; but, we still need more input. If you have not returned a survey, please do so by February 26. If you are a Lindenwood student and did not receive a survey, please call campus extension 217 for a copy. According to results obtained thus far, surveys indicate that students *do* read the "Communique." Student articles for publication are encouraged. If any students have information they would like to publish in "Communique," please submit releases to Campus Box 652 no later than 5:00 p.m. each Thursday. The communication survey is being distributed and results will be compiled by Robin McCune and Mark Hopper, students in the public relations office. The survey is designed to acquire and target information that enhances communication for the campus community. Your input is a vital resource to improve college communications.

CANALE REQUESTS NOMINATIONS TO ALL-COLLEGE READING LIST

Watch your campus box for a flyer requesting your nominations to the 1988-89 All-College Reading List. Students, faculty and staff are invited to submit suggested books for the new list which recommends good books for the community's reading enjoyment. "Asia" is this year's focal topic, but nominations can be made on any book that you think the campus-at-large would enjoy. Submit your forms to "All-College Reading List," Campus Box 707 by March 3, 1988.
