United Way Employee Campaign to Include Chance to Win Cardinal Tickets

Helping people.

Greater St. Louis

Lindenwood University will again hold an employee drive for United Way this fall. Giving, which benefits dozens of local charities, is easy and will this year include a chance to win two all-inclusive tickets to a St. Louis Cardinals baseball game.

The drive will take place September 4 through September 28, and anyone who pledges \$50 or more in the first five days of the University campaign will automatically be entered into a drawing for one of 15 pairs of all-inclusive tickets to the Cardinals game against the San Francisco Giants on Saturday, September 22, a \$150 value. All-inclusive tickets entitle the bearer to seating in a party room, including free food and drink throughout the ballgame. Employees can donate in a lump sum or spread their pledges out over a year through payroll deduction.

“The United Way of Greater St. Louis benefits 160 local charities that provide assistance for children, senior citizens, needy populations, and more,” said Dr. Shonrock, President of the Lindenwood University system. “All donations are very much appreciated. Please consider donating.”

Be on the lookout for an email from United Way on Tuesday, September 4, along with the “Give Now” button at the start of the ePledge campaign.

“A commitment to the betterment of the community is embedded in Lindenwood’s strategic plan,” Shonrock said. “We hope that you will consider taking part in this important effort.”

Athletic Training Donates Desks to Middle School

The Hyland Arena classrooms have been converted to active simulation labs to support the Athletic Training program. In an effort to make space for the labs, more than 100 desks were removed and donated to Compton Drew Middle School.

Compton Drew's enrollment was 88+ students over the current number of desks available in the classrooms. We were very happy to help provide a seat

for every student on the first day of school.

Thank you to all of the faculty and staff from Lindenwood and Compton Drew who worked together to load and transfer!
