MORE COMMENCEMENT NEWS

Esther Fenning, alumni activities directors, wants everyone to remember that the alumni will host a special reception in the Fine Arts Building for graduates and those attending the Baccalaureate Service. Fenning says the alumni are looking forward to meeting the college's newest class members.

HELP THE FOOD SERVICE COMMITTEE DECORATE NEW BOOTH AREA

Members of the Food Service Committee would like to decorate the newly-named "Lion's Den," a small booth area in the back of Ayres Cafeteria. The committee believes that 50s and 60s memorabilia would give the area a more festive look.

Since the committee is currently lacking the funds for this project, they are requesting articles from alumni and other college friends which may be used on walls or as room decorations for this area. Items that might work well are: posters, newspaper clippings, advertisements or old catalog clips, photographs, license plates, or any items uniquely from the 50s and 60s.

To share your memories on permanent display, please contact Marilyn Morris, extension 222 or LaVon Boothby, Campus Box 129.

"Communique" is a publication for the Lindenwood College community. Deadline for submission is 5 p.m. every Thursday. Submissions must be in writing, preferably typed, with a contact name and phone number listed in the upper right-hand corner of each page. Questions regarding submission or content of this publication may be addressed to Phyllis Morris, Public Relations, Box 652. Thank you!
