Dear Sir,

I have just recd. & read the communication with which you have been good enough to favor me in regard to the Genl. Ticket election in Missouri, and I hasten to thank you for it. It is particularly gratifying to me to know that the State of Missouri, without regard to party, is sounder on this great matter of the attempted nullification of the laws & authority of Congress of this Government, than her Representatives or rather her Misrepresentatives on this floor- I am glad to know that so few Nullifiers are to be found in that State, and that the prospect of better things from that quarter in the future is so good as you describe it to be.

The information you have been kind enough to give me will be of material service to me & to all friends of the Constn. & laws in this House-

With great respect
Yr. friend & obt. Servt.
