Scheffler Named Dean for School of Education

Lindenwood University has named Dr. Anthony Scheffler dean of the School of Education on its St. Charles, Mo., campus. Scheffler, who has worked in higher education for nearly 30 years, was selected after an extensive national search.

Scheffler most recently served as interim vice president of academic affairs at Valdosta State University in Valdosta, Ga., and as lead investigator for competency-based education for the University System of Georgia. Prior to that, he was associate dean of the Dewar College of Education and Human Services at Valdosta State University. He has also held a number of administrative posts, including provost and vice president for academic affairs, at Northwestern State University of Louisiana. [Read more](#)

LindenGuard Campus Safety App Now Available

Lindenwood University is launching a new public safety app, LindenGuard, that provides a selection of tools to enhance public safety on campus for students, faculty, and staff.

The app, powered by Rave Guardian, is now available for students on the St. Charles and Belleville campuses. It affords users the ability to call Campus Public Safety & Security or 911 with the touch of a button. Another feature of the app allows users to report a tip to Public Safety in real time through a chat session, including pictures if need be. Rave states the app is like a blue light safety kiosk that users carry with them. [Read more](#)

Be Aware of Malicious Spam and Phishing Attempts

The Lindenwood email system periodically receives a number of malicious spam and phishing attempts. The goal of many of these malicious messages is to gain access to your Lindenwood account by misleading you to provide your User ID and password. Though Lindenwood IT has many preventative measures in place to limit and eliminate SPAM and PHISHING messages, some messages get through our safeguards. As such, **you** play an important role in ensuring account and information security at Lindenwood University.

Please follow the tips below to keep your information and data secure. [Read more](#)

Antivirus Software Update

In order to provide better endpoint virus and malware protection, the Lindenwood IT department will be installing a new Trend Micro Anti-Virus client on all Lindenwood owned devices over the next two weeks. Once the Trend Micro agent is installed on your machine, it will remove the old Microsoft agent. There should be no action required on your part.

Thank you,

TJ Rains
Vice President for Information Technology and CIO
