PEOPLE, NEWS & NOTES

Lindenwood Theatre Tradition Ignites Holiday Spirit

Tradition is a key element at Lindenwood, connecting us to the security of the past, the warmth of the present, and the hope of the future. Such tradition is reflected most poignantly during the Yuletide Season, and in keeping with that tradition, the Department of Performing Arts is again presenting its acclaimed version of Dickens' classic A Christmas Carol and the ever-popular Madrigal Dinners. While this magic brew of Holiday spirit seems familiar, we've spiced things up with some special surprises to keep the theatre experience fresh and exciting.

Tickets for A Christmas Carol and the Madrigal Dinners may be ordered through the Jelkyl box office from 1-5 p.m. weekdays beginning November 14, Ext. 252 or 946-2004. For information about the Madrigal STAFF NIGHT December 6 or group reservations, contact Kathi Jones at Ext. 218.

A Christmas Carol

Performances will be held at 8:00 p.m. November 30, December 1, 2 and 3, with two matinees at 2:00 p.m. December 3 and 4. General admission is \$6; group rates of 10 or more are \$3 each. Faculty-staff, senior citizen and non-Lindenwood student admission is \$4.50. Lindenwood students are admitted free. All performances will be in Jelkyl Theatre in Roemer Hall.

Madrigal Dinners

These grand Elizabethan feasts which are held in the Memorial Arts Building Latzer Great Hall have become a noted area-wide Christmas tradition, offering great music, great food, great atmosphere and great company at a reasonable price. As many people attend the Madrigals year after year, reservations should be made as soon as possible. STAFF NIGHT is December 6, at 7:00 p.m., at \$20 per ticket. Family and friends are welcome, all at this special price. Additional performances are scheduled for 7:00 p.m. December 9 and 10; tickets are \$25 each.

Come, join us in this special Holiday experience - make Lindenwood's tradition YOUR tradition!

More Opportunities to Study Abroad: Nepal and India

Lindenwood students who are interested in spending next year in Nepal or India may be interested in a program sponsored by the University of Wisconsin. The College Year in India and College Year in Nepal programs begin with intensive language training and orientation during the summer at the University of Wisconsin. It continues with an academic year of study in India or Nepal. A full year of University of Wisconsin credit is given for completion of the programs. Some financial aid is available. **Application Deadline is January 16, 1989.** For more information contact Wilda Swift, International Student Advisor, 113 Cobbs Hall, Ext. 445. (Submitted by Wilda Swift, International Student Advisor.)

November 17 Marks Smokeout

The twelfth annual American Cancer Society's Great American Smokeout will be held on November 17. Lindenwood is taking part in this year's event. The campaign will offer students, faculty and staff who smoke an opportunity to try quitting for 24 hours with the full support and encouragement of their non-smoking peers.

If you are a smoker and would like to be assigned a "buddy," or non-smoker and would like to "adopt a smoker," contact Kathy Quinn at Ext. 222 as soon as possible, or sign up in the cafeteria during lunch on Wednesday, November 16. (Submitted by Kathy Quinn, Programs and Residences.)

Executives Adopt College Purchasing Procedures

The following procedures for purchasing recently were adopted by the College's Executive Committee:

1. There is a limit of \$150.00 on cash advances to purchase supplies and materials. Purchases which will exceed this amount should be handled either by purchase order or check request.
2. Requisitions for the purchase of paint, lumber and similar supplies must be made through the Physical Plant.
3. Requisitions for the purchase of food or non-alcoholic beverages must be made through Food Service.
4. Requisitions requesting reimbursement for items covered in paragraphs 2 and 3 and which exceed \$25.00 will not be honored.
5. Except in emergency situations, **all** expenditures which exceed \$25.00 must be handled by way of requisitions requesting a check or purchase order. (Travel expenditures are excluded from this provision.) Employees should not expect reimbursement for unauthorized expenditures which exceed this amount. (Submitted by Jim Thompson, executive director of development and college relations and member of the executive committee.)

CPA Firm Seek Accounting Intern

A West County CPA firm is seeking an accounting intern for computer and tax work. Hours are part-time and flexible. Great opportunity! For more information on this and other internships, contact Debbie Coats, Ext. 307. (Submitted by Debbie Coats, CAP Center.)

Who's Who Seeks Nominations

Each year Lindenwood is invited to nominate a few juniors, seniors and graduate students for recognition in Who's Who Among Students in American Universities and Colleges, an annual directory that lists biographies of some of the country's outstanding students.

Nominees should have at least a 3.0 cumulative grade point average and exemplify high standards of scholarship, leadership in classroom and out of classroom activities, citizenship, service to the college and potential for future achievement.

A faculty-staff-student group, chaired by Kathy Quinn, acting assistant dean of college life, will evaluate the nominations. Names and brief accounts of supporting reasons for nomination will be accepted at the Office of Programs and Residences, Box 737, until 5:00 p.m. Wednesday, November 30; any material arriving after that time will be too late to be considered. For more information on nominating students, contact Kathy Quinn, Ext. 222. (Submitted by Kathy Quinn, Programs and Residences.)

Lady Lions Sparkle In District Finals

The Lindenwood Lady Lions soccer team hosted district tournament playoffs at the Harlen C. Hunter Sports Complex and reigned victorious in their district. Gaining the championship by defeating Park College 6-0 and Missouri Valley 2-1, the Lions moved on to the regional playoffs in Wilmington, Ohio.

As a result of their district victories, the Lady Lions were selected for the following All District Players honors:

- 1st Team: Mimi Hahn, Liz Kissling, Becky Stigen, Jennifer Dykes, Sharon Lawson, Beth Neyman and Lisa Sorensen;
2nd Team: Kristin Wixson and Honorable Mention: Jill Holmstrom.

Debbie Kehm was named District Coach of the Year.

Victory Begins Men's Basketball Season Opener

The home season opener of the 1988-89 men's basketball team was a victorious event. The young Lions exploded into tenacious gameplay by effectively executing their pressure defense.

Five of the 11 players scored in double figures against the Sanford Brown College Indians: Todd Davis with 21, Mike Stephenson with 14, Chad Bolser with 13 and Tim Turner and Keith Avery with 12 points each. Also contributing to the squad were Morrice Jackson, Tim Marshall, Joe Niblock, Julius Rankins, Chris Sonkson and Tan Sonkson.

The men's Lindenwood Lions are coached by Art Siebels and assistant coach Earl Austin. Come see the next home game against Greenville College at 7:30 p.m. on December 7 at St. Charles High. See ya there! (Submitted by Joycelyn J. Davis, Lindenwood student.)

Enrollments Top 1987 Total

Lindenwood College officials have recently announced that the 1988 Fall term enrollments have increased 13 percent over last year's total. The new enrollment figure, which totals 1,766 students for the Fall term, includes enrollments from the day, evening and Lindenwood's accelerated program, LCIE.

"The program showing the greatest increase in enrollment over 1987 was Lindenwood's accelerated program, LCIE, where students can earn thirty-six semester hours a year by

attending class one evening a week," said Karen Johnson, evening admissions information specialist.

LCIE, also known as the Lindenwood College for Individualized Education, is in its 13th year at the college. It has been called a national model for adult education in an accelerated learning format. LCIE undergraduate programs rose 45 percent over last year's figures, while the LCIE graduate programs climbed 63 percent compared to Fall, 1987 enrollments.
