

## HUNT IT DOWN

Burning, turning, tumbling, bumbling,  
bustling, hustling, feral stumbling.

Searching within a lurching husk,  
grabbing, stabbing with fatal tusks.

Slaking thirst for crimson flooding  
across a tongue fetid with musk.

Snorting, squealing with a jerk,  
gunner grins with a smirk.

Booming with a cacophonous roar,  
ending the life of a boar.
