Rave Reviews For Pot Luck Luncheon

The annual Faculty/Staff Holiday Pot Luck Luncheon December 13 was a great success, thanks to all who participated. Delicious aromas filled the air in Roemer and delicacies made from apricots to zucchini crowded the tables lining the hallway. This event--sponsored by the Faculty/Staff Lindenwood Associates--proved once again that the great cooks of St. Charles are masquerading as our own Faculty and Staff. Thanks again to all who participated, and special thanks to the cafeteria staff, the development staff for helping set up the luncheon, and the maintenance staff for their help with the physical part--setting up and cleaning up! The luncheon provided a wonderful time for the Faculty and Staff to share some Holiday Spirit. May we all continue to have Happy Holidays! (Submitted by Carole Knight, Development.)

KCLC Drives It Home For Needy

KCLC-FM 89.1 has turned on a powerful toy drive in St. Charles County, which will help hundreds of needy children have a brighter and more joyous Christmas season.

"Response to the drive has been overwhelming," said Linda Meyer, a St. Charles County resident and former KCLC news director who is leading the drive. "We have gathered over 600 new toys and stocking stuffers plus approximately one thousand used toys and stocking stuffers. For each family, there also will be a box of candy canes, wrapping paper and cellophane tape, thank you notes, batteries for the toys that need them and walkman radios," Meyer said.

KCLC hopes to directly help 100 children to a merrier Christmas, plus helping an additional 125-225 children through a combined effort with other area groups.

"There are so many people to thank for this tremendous outpouring of goodwill," said Meyer. "I think the best part of this toy drive is that the toys stay in St. Charles County. People want to help their neighbors," added Meyer, "and this is the one toy drive that will do just that."

Meyer extended a special thanks to the staff of KCLC for their support and members of the Lindenwood Student Government for their assistance during and after the Christmas Walk. "I couldn't have done this without the support of my entire family, too," she said.

Local and area schools, retailers and organizations were highly commended for their assistance with the project.

Business Office Warms Walls, Herrmann Decks Halls With Cotton Balls

All it took was a little competition to get the doors of Lindenwood's halls decorated in Holiday Tradition. The winners of the Annual Faculty/Staff Holiday Door Decorating Contest earned their honors. First place went to the Business Office--Roemer 117--for their three-dimensional fireplace, complete with wreath, candles, Christmas cards and evidence of Santa's exit. Second place went to Ruth Herrmann--Roemer 25--for her snowman, made from LOTS of cotton and an abundant measure of talent. Both winners deserve applause, as do the other participants in the contest. Be sure to walk through the halls to see the beautiful and creative decorations. Thanks to all who participated for their hard work and holiday spirit. May our Holiday Season be as lovely as these decorations!
