Carol, an employee for the past 14 years, is planning to accompany her husband in retirement--the easy life of sleeping late and traveling often! We all will miss Carol's work and dedication to Lindenwood. The Business Office will be filling this vacancy. For a job description and further information, contact Mary Martin, Controller, at Ext. 324. (Submitted by Mary Martin, Controller.)

### Bell Receives Unanimous Praise For Economic Study

After months of research and preparation, Gail Bell received a unanimous "A" on her presentation to the Economic Development Committee of the St. Charles Chamber of Commerce.

A senior-level student at Lindenwood College, Gail's presentation was the culmination of her work through BA-439, Directed Studies in Management. In BA-439, with the coordination of the Babcock Center for the Study of Management and Communication, students are assigned independent projects with business, government, or social service involvement. Gail's project involved a demographic study of the business locations in St. Charles. Not only did she become the local authority of business locations, but her study has potentially saved the city a great deal of money in missed collections of city license revenue.

Great job Gail!! (Submitted by Nancy Webster, Babcock Center.)
