PEOPLES, NEWS & NOTES

College Participates in Tuition Exchange Program

Dear Full-Time Lindenwood Employees:

This is to inform you that Lindenwood is a new member of an organization that sponsors a tuition exchange program with a number of colleges and universities around the country. We are severely restricted as to the degree of our participation: we may nominate two students who are eligible for two-year tuition scholarships at a member institution. Please be aware that the final decision for the tuition scholarship rests with the other institution, not Lindenwood.

If any employee is interested in having his or her dependent apply for consideration in this program, it is imperative that the name of this student be submitted to the Dean of Faculty's office by Friday, February 17. A list of member colleges will be available there for your inspection. In addition to this program, Lindenwood participates in another smaller, exchange with a group of Presbyterian-related colleges. This brochure is also available for inspection in the Dean's office. Since it is late in the academic year, it is imperative that all potential candidates be identified by February 17.

Dr. C. Edward Balog
Acting Dean of Faculty
