PEOPLE, NEWS & NOTES

Universities Accept Lindenwood Students For Advanced Degrees

Karen Ulrich has been accepted by the School of Veterinary Medicine at the University of Illinois-Urbana. Karen is a biology major who will graduate from Lindenwood this May. Her acceptance at the veterinary school is an important achievement as admission to these schools is very difficult. **Congratulations, Karen!**

Michael Ortwerth has been accepted for graduate studies by the chemistry department of Washington University. Mike has his goals set on a Ph.D. **Congratulations, Michael!** (Submitted by Dr. John A. Bornmann, Chemistry Department.)

College Cafe Needs Your Help

Flatware, dishes and glasses are still missing from the college's cafeteria. Because of the extreme shortage of flatware and the high cost of replacing utensils, the cafe has had to switch to supplying plasticware for your everyday use.

You can help the cafeteria by returning any flatware, dishes and/or glasses that you may have borrowed for your personal use or for use during campus events. No questions will be asked upon the return of these items. As soon as levels of missing items return to average counts, the cafeteria will be able to once again furnish metal eating utensils for your meals.

If you don't like "fastfood" dinnerware, please help the cafe recover its missing items today. (Submitted by Sue Brown, Cafeteria.)

Lenten Lunch Series Continues

The Lenten Lunch series, "How My Mind Has Changed" continues Wednesday, March 1 with a presentation by **Dr. Alan Meyers** from noon to 1 p.m. in the Cafeteria's Legacy Room. Dr. Meyers is an adjunct professor of religion and philosophy at Lindenwood. All faculty, staff and students are welcome to attend. The Lunch Series is sponsored by the **Rev. George Wilcox** and **Fr. John Schneider** of the Chaplain's Office.

Please note that there will not be a Lenten Lunch on Wednesday, March 8 because of Spring Break. The series will resume on Wednesday, March 15 with a presentation by **Dr. Edith Graber**. (Submitted by Reverend George Wilcox, Chaplain's Office.)

Ayres Cafeteria will be closed from March 5 through March 11 for the annual Spring Break. The cafe is scheduled to reopen for dinner on March 12. (Submitted by Sue Brown, Cafeteria.)

Babcock Center Presents In-House Program To Area Hospital

The Babcock Center for the Study of Management and Communication has been establishing a curriculum for an in-house educational program to be presented to the administrative and management staff at a local hospital.

Designed to meet the hospital's goal of an on-going management development program, The Babcock Center will present six seminars in 1989. Topics will include team building, leadership, communication, managing conflict and change, getting things done and organizational effectiveness. Currently, three seminars are scheduled for Spring '89 with the remaining sessions scheduled for the fall.

The Babcock Center intends to continue with the development of tailored educational programs designed to enhance the effectiveness and growth of area leadership. (Submitted by Nancy Webster, Babcock Center.)

Religious Life Council Comes To Life With Exchange Program

The Religious Life Council is a newly formed student organization which represents the diverse religious backgrounds found at Lindenwood College. One of the council's stated goals is to explore religious issues and concerns with a spirit of openness, tolerance and mutual respect.

To that end, the council invites interested students, faculty and staff to attend a study and discussion group called "Exchange." This seven-week program, based on the Bible's new testament book of Acts, will be held on Wednesdays in the Student Center Quiet Lounge beginning March 15 through April 26 from 6-7:30 p.m. Refreshments will be provided. Contact the Reverend George Wilcox at Ext. 447 for more information. (Submitted by Rev. George Wilcox, Chaplain's Office.)
