Phone Funds

The 1989 Phonathon is close to reaching its goal, according to Alumni Coordinator **Judy Peters**. So far, the calls have raised \$176,607. That's 93% of the final goal of \$190,000. Last year, alumni pledged more than \$200,000. Phonathon leader **Donna Ziegmemeier** heads up a crew of 37 callers--most of them volunteers. This year's fund drive started March 6th. It ends the last day of June.

New Cross Country/Track Coach

Gary G. White has joined the Lindenwood College athletics staff as the coach for the new men's and women's Cross Country and Track teams. White comes to Lindenwood from Tarkio College in northwest Missouri, where he was the head coach for the men's and women's cross country and track teams there. White also taught in the Physical Education department at Tarkio. He brings eight years coaching experience, both at the high school and college levels. While working on his Master's degree, White coached women's soccer at Morehead State University in Morehead, Kentucky. He has also coached cross country, track, basketball and softball at Fayetteville High School in Fayetteville, Ohio. He was named coach of the year in men's and women's cross country and track while at Tarkio College. White holds a bachelor degree and a masters degree in Health, Physical Education, and Recreation from Morehead State. White says he's really excited about coming to Lindenwood and starting new teams here. He's already started recruiting for the teams. The cross country season starts in the fall, while track and field takes place in the spring. If you're interested in track and/or cross country, or you know someone who is, call the Athletics Department at Ext. 313.
