Wanted: Families and Friends

The International Christian Youth Exchange (ICYE) is looking for families and community service agencies to host exchanges beginning July 20th. ICYE sponsors exchanges from 31 countries. These young people come to the United States to attend high school or serve as full-time volunteers with community-based social service and/or action organizations. This is a great opportunity to give your own personal touch to international relations, and to make a new, interesting friend as well. If you're interested in becoming a host, or you know someone who is, contact the Lindenwood College Chaplain, **George Wilcox**, at 946-4467 or Ext. 447. (Submitted by George Wilcox).

Advertising Events

Want more attendance at your concerts and recitals? Need some fans cheering at soccer and football games? Here's your chance to publicize your scheduled events all over the St. Charles County area. Local businessman Don Mattingly has created a free, community calendar booklet for all St. Charles organization activities. He wants to include everything and anything you have scheduled: concerts, theater presentations, athletic events, Christmas Walk, pageants--you name it. Right now, Don is working on the September, October and November booklet. If you want anything printed in the fall edition, submit it to Lindenwood Public Relations, Campus Box 652. If you'd like to see a copy of a past booklet, drop by the Public Relations office in Roemer Hall. There's not much time, though. Please send your list of activities by July 12. We'll gather all the information and send it on to Don. Don't pass up this opportunity to get some free publicity for your activities and for Lindenwood College.

Musical Offices

By the time you read this, the Public Relations office will have moved again. Now, we're located in the basement of Roemer Hall, by the Coke Machines. This is familiar territory for P.R.--a few years ago, the P.R. office was in this same place. So the next time you come down to pick up your mail, or grab a Coke, stop in and say hello. **Dennis Spellman** and **Nancy Webster** are moving down the hall of first floor Roemer. They'll occupy the former P.R. office in the President's Suite.

Bargain Bookstore Bonanza

Need to find a quick birthday present or grab some supplies? Be sure and check out the Campus Bookstore. You'll find some great bargains on everything from sweatshirts to gift items. Any item with a red dot on it is 50% off. Selected sweatshirts and jackets are 40% off. You can find savings on children's gift items, notebooks--just about everything! It's the bookstore's big moving sale. Yes, the bookstore is getting a new home too--back to its old location in the basement of Roemer Hall. We'll let you know when that move takes place.

On The Lighter Side...(Or, a funny thing happened on the way to class...!)

Three LCIE students in **Bob Sullentrup's** Math and Statistics cluster have been studying pennies and the year they were minted. The students would sample pennies circulating in St. Charles County and compare the results against the U.S. Mint's production quantities.

The students went to convenience marts, gas stations, and other stores. They'd greet the cashiers with "Hi, I'm taking a statistics class at Lindenwood. I'm surveying pennies. Can I exchange my pennies for yours so I can study them?"

Well, this caused some confusion and some apprehension with the cashiers. After going into great detail telling the cashiers about their project, the students decided to make things a little easier. Little by little, the request was shortened, and students eventually ended up with "Hi, I'm from Lindenwood and I want your pennies." To which one cashier responded "Yeah, I heard about your problems. Here's a buck."
