

# COMMUNIQUE

March 15, 1993  
Volume 168, No. 2

## What's Happening...

- The Task Force for Faculty Merit Scholarships met last week. A report on the task force's recommendations should be distributed before the next faculty meeting. Task force members include Joe Cernik, Jim Evans, John Nichols and Marsha Parker.
- Two LC graduate students, Tom Clark and Patti York, are running for seats on the St. Charles City Council. Tom is working on his MBA, and is challenging an incumbent for the 5th Ward position. Patti, a corporate communications major, is challenging two opponents for the 1st Ward slot. Election day is Tuesday, April 6. Good luck to you both!
- Be sure and stop by the Hendren Gallery, where LC art faculty members are currently displaying their works. Grant Hargate, Deborah Harrington, Hans Levi, Elaine Tillinger and John Wehmer are all taking part in the exhibition, which runs through March 21st.

## A Better Idea...

Beginning March 29, Lindenwood College will be teaching undergraduate and graduate classes at the Ford Motor Company Plant in Hazelwood. Ford chose to go with Lindenwood's program because of our (as they put it) "outstanding reputation in serving adult students." Congratulations to President Spellmann, Arlene Taich, John Guffey, Dave Williams, Bo Hagan, Allan Mitchler and Jerry Driskill for their hard work on putting this program together.

## And while we're at it...

Lindenwood is also negotiating with Olin Corporation in Alton, Illinois, on the possibility of teaching undergraduate classes there. Seems that Olin also likes LC's flexible adult programs. Stay tuned... we'll keep you posted!

## Faculty Recognition

Congratulations to Pamela Nickels, who has been elected secretary of the Missouri Counseling Association (MCA) for 1993-94. Pam is an assistant professor in the LCIE professional and school counseling program.

Kudos also to Marilyn Patterson, assistant professor in professional and school counseling, who is president-elect of the Missouri Association for Adult Development and Aging.

## Graduate Presentations

Graduates of LC's professional and school counseling program recently presented their culminating projects at the Missouri Counseling Association 1993 Annual Conference in St. Louis. Catherine Baugh, Cindy Motley, Beth Risner, Linda Hermelin, and Iris Lee exhibited their study research. Pam Nickels coordinated the workshop.
