- * Graduation announcements are for sale in the bookstore.

NCATE at LC

Representatives from the National Council for the Accreditation of Teachers of Education (NCATE) will be on campus April 18th-21st. They will be observing the programs of the education division, to validate the quality of those programs.

Garçon! (The Finale)

In the last *Communique*, we told you that **President Dennis Spellmann** was one of 21 community leaders selected for the "Stars At Your Service" breakfast and auction on April 1, to raise money for the American Diabetes Association. The event was a big success, and apparently, the President was a big hit! Not only did he win Best Costume (for his western morning wear), he also raised a significant amount of money for the cause. One of his tip-raising tricks: roping St. Peters Mayor Tom Brown.

Dunton Appointment

Susan Dunton, assistant professor in LCIE, has been elected to the Directorate Body of Commission XV-Campus Judicial Affairs and Legal Issues for the American College Personnel Association. The ACPA is one of two national organizations that deal with college student affairs issues. This is a three-year appointment for Dunton, and marks her second term on the panel.

Off and Running

Faculty and staff members are asked to help as Lindenwood hosts the 1993 NAIA Outdoor Track & Field Championships. The meet is set for Saturday, May 1, and will last from 9:30 a.m. to 5:00 p.m. The teams really need your help to be judges and timers for the event. You don't have to know much about track and field, the track team will teach you! For more information, contact Head Coach **Gary White** at ext. 4806 or **Carol White** at ext 4903. Thank you!

Lion FB/Track Addition

A hearty welcome to **Curtis Skotnicki**, LC's new assistant football and assistant track coach. Curt comes to LC from CMSU, where he was an assistant football coach, and also worked in the Office of Career Planning and Placement. He holds a master's degree in College Student Personnel Administration from CMSU and a B.S. in business education from Illinois State University. In addition to coaching, Curt will also be helping out at the Fitness Center, as working with student-athletes on academic and career advising. Curt is married, and is currently looking for a house in St. Charles. He will join the LC family May 1st.

Talent Time

The NEXUS Talent Show is set for Wednesday evening, April 14 at 7:p.m. in Young Auditorium. These shows are always entertaining and you'll be amazed at the wealth of talent in our student body. Support your students and enjoy a free show!

Free Promotion

Director of Graduate & Adult Professional Admissions **Allan Mitchler** and PR Director **Jeanne Malpiedi** spoke to a group of realtors at the Coldwell Bankers office in St. Charles recently. The agents were interested in finding out about LC's adult programs, so they could inform their new-in-town clients about area educational opportunities. Many of the realtors also wanted to be placed on our news release mailing list so they could promote LC in their monthly newsletters. Office administrators said they would be glad to include fine arts, performing arts and athletic schedules in their relocation packets.

Quote Of The Week

A great teacher never strives to explain his vision --
he simply invites you to stand beside him and
see for yourself.

The Rev. R. Inman
