**Today's Headlines**

**Student Health Center Adds New Service for Students and Employees**

A new service has been added to the Student Health Center. Starting Sept. 21, 2017, and every third Thursday of the month from 1:20 – 4 p.m., the Health Center will have a medical doctor, Dr. McClintock, seeing patients. This new service will operate like a physician's office, thus insurance, co-pays, and self-pay prices will apply.

To schedule an appointment, please call 314.209.5100 and inform the operator you want to schedule an appointment with Dr. McClintock at Lindenwood University. Students and employees are eligible to use this service, however, students will be given first priority. This is an additional service and will not replace the general services provided to students who pay the Health Center Fee. Should you have any questions, please contact the Student Health Center at 636-949-4525.

**Exhibition Now Open**

The first Lindenwood University Art Exhibition of the 2017-18 season, **Infrastructure**, is now open in the Boyle Family Gallery in the J. Scheidegger Center for the Arts. The exhibition remains on display through Oct. 1.

**Infrastructure** showcases the work of St. Louisan Erica Popp, Chicagoan Roland Kulla, and Mississippian Jacob Crook. The connecting thread of subject matter in the exhibition is the ubiquitous yet over-looked presence of civilization's underlying foundations, such as power grids, bridges and commercial structures. The exhibition contains seven large-scale paintings by Kulla which are complemented by smaller, more intimate intaglio and mezzotint prints by Popp and Crook. The emphasis on printmaking styles is an intentional reference to the new printmaking studio in Studio West.

For more information, contact Art Program Chair, John Troy, at [jtroy@lindenwood.edu](mailto:jtroy@lindenwood.edu).

### Sunday Doubleheader at Hunter Stadium

The Lindenwood field hockey and men's soccer teams will both be in action on Sunday at Hunter Stadium. The field hockey team will start the day off with a 11 a.m. game against Limestone. The men's soccer team will follow with a 2 p.m. contest against Christian Brothers.

The field hockey team will look to move to 2-0 in ECAC play. It opened up its conference schedule with a dominating 3-1 victory over Bellarmine last Sunday, and the Lady Lions can take an early control of the conference race with a win on Sunday.

The men's soccer team will have its home opener on Sunday against a tough regional rival in Christian Brothers. The last time the Lions were at Hunter Stadium, it got to raise a trophy as the 2016 MIAA Champions.

### Lindenwood Belleville Senior Masters FBI In-Training Program

Lindenwood Belleville senior Emily Fox hopes to be an agent with the Federal Bureau of Investigation after she graduates.

So, imagine her excitement when, over the course of five days during the summer break, she was able to live the life of an FBI agent including working in explosives disposal training, mock criminal investigations, firing a gun on a shooting range, and searching vehicles for evidence. ### HLC Fact of the Day: "HLC Assurance Argument: Subcomponent 5A4" (with specific focus on "Lindenwood's Hiring Process")

In the HLC Criteria for Accreditation, Subcomponent 5A4 says: *The institution's staff in all areas are appropriately qualified and trained.*

In our Assurance Argument being prepared for HLC, and in support of the 5A4 standard, this is what we say regarding Lindenwood's hiring process: [Read more](#)

### **Assessment Tip of the Week: "Please Submit Updated Assessment Plans by October 15" (with a special note to co-curricular units)**

All assessment reporting units (academic, co-curricular, administrative) should submit updated assessment plans by October 15, 2017.\* Plans should be posted in Canvas just as the reports were submitted this past June (you will receive instructions from Academic Technology). An assessment plan consists of the first three columns in the Nichols 5-column template. This is an opportunity to document any changes your program is making relative to the items in those first three columns (e.g., changes to program outcomes, methods of assessment, or criteria for success). ### **Parking on Watson Street to be Restricted at Start of Semester**

Due to a water project by the City of St. Charles northeast of the St. Charles campus, parking on Watson Street will remain restricted at the start of the semester until that portion of the project is completed. All students and employees are encouraged to give themselves extra time in the morning to find available parking. Nearby lots include the Roemer Hall and Harmon Hall lots and the parking lot of the Presbyterian Church at Sibley and Gamble Streets.

Updates will be posted when they become available.
