Lions Baseball Win District 16...

The Lindenwood Lions won the District 16 baseball championship by defeating Avila College. District 16 covers the entire state of Missouri. They advanced to the NAIA Midwest Regional Championships on May 19th.

...And Take Third In Midwest Regionals

The Lindenwood Lions baseball team took third place in the NAIA Midwest Regional Championships. The Lions defeated Grand View College (Ia.) in the first round of the double elimination tournament. They lost to top-seeded Marian College (Wis.) and was later eliminated by Grand View College. The Lions ended their season with a 26-17 record. *Congratulations on a great season!*

Track Results

The NAIA District track meet that LC hosted on May 1 was a success, at least for Lindenwood. The Lady Lion won their meet and the Lions took second place. Three members of the track team qualified for the Nationals that were held last week in Burnaby, British Columbia (Canada) at Simon Fraser University. Janel Teiken participated in the 3000 meter run, Chris Rubelle ran in the 1500 meter run, and Michele Candray tied for 10th place in the long jump.

Thank you to everyone who helped with the NAIA District track meet held at Principia College. We appreciate your help and support of the Lindenwood track and field teams.

The Development Office is in the process of wrapping up the revitalized traditional phone-a-thon. The graduate assistants and students have compiled over 100 volunteer hours and have made over 2,500 calls to alumni and friends of the College.
