Faculty Learning Communities

The Office of the Provost and the Faculty Development Working Group is pleased to announce that five [faculty learning communities](#) have been approved for support in 2017-18. These groups will consider topics as diverse as service-learning, race in higher education, accessibility, research ethics, and professorial best practices.

If you would like to join a faculty learning community, please read the [attached descriptions](#) and email the facilitator listed as contact. Mexico Needs Your Help

After two major earthquakes and one hurricane, your neighbors in Mexico need your help. The 7.1 magnitude earthquake took the life of 286 people Sept. 19 across Mexico City, Morelos, and Puebla. This happened just 10 days after the 8.1 earthquake that hit southern Mexico including Oaxaca, Chiapas and Tabasco. Organizations are providing shelter, rescuers and medical aid for those affected by these horrendous catastrophes. You can help by donating directly to the following organizations. Even a small amount makes a difference:
