New Employees

A hearty welcome to **Destiny Gilpin** ('94), undergraduate admissions/financial aid counselor; **Chuck Peck**, performance arena construction manager; **Penny Maxwell**, data coordinator in the registrar's office; **Dan Kratzer**, head football coach and associate athletic director; and **Kyle Naylor**, assistant football coach and fitness center supervisor. Welcome aboard!

The Wind-Up...

Interested in a little slow-pitch? **Jim Maxwell**, assistant professor of management, is organizing a co-ed softball team of faculty, staff and administration for this spring. The team will enter a St. Charles City "C" League starting in April. If you're interested, give Jim a call at ext. 4907.

Thank You Note

Sherri Bloms, development office manager, wishes to thank everyone for their cards, calls and prayers. Sherri is recuperating at home and hopes to be back to work in February.

Get Well Soon

Please keep **Gary Greene**, director of development, in your thoughts and prayers. Gary is undergoing surgery this afternoon, and hopes to be at home within a week.

And On That Note...

Gary received life-saving emergency treatment quickly, thanks to his colleague **Barbara Kohrs**, who performed CPR (cardiopulmonary resuscitation) on him immediately. Student **Jacob Evans** and athletic director **Steve Crotz** also quickly jumped in. Without being melodramatic, there's no doubt that these three people saved Gary's life.

We've all heard how important CPR training is, and this was really brought home to those of us who witnessed last week's emergency situation. Make it a New Year's resolution: sign up **today** for a CPR class at one of the local hospitals or the Red Cross.

Student Successes

Junior **Latoya Brown** has been chosen American Midwest Conference player of the week for her performance in basketball.

Two women's soccer players, **Cindy Scheffer** (senior), and **Jennifer Siess** (junior), have been named All-America Scholar-Athletes. To be eligible for the award, a student-athlete must carry a minimum 3.5 grade point average on a 4.0 scale. Congratulations!

More Student Success...

360 students have been named to the Fall 1994 Dean's Honor Roll, and 136 student-athletes have made the Student Athletic Honor Roll for the semester.
