Today's Headlines

Health Center Extended Service

The Health Center, which is located on the 3rd floor of the Evans Commons will now have a medical doctor available to see students and employees twice a month. The MD will be Dr. Phillips. She will have hours every other week from 1 to 4:30 p.m. (last patient at 4 p.m.), starting Thursday, Nov. 2. These visits are treated like a clinic, thus insurance and payments are processed at the time of the visit. Students/employees must call 636-669-2350 to schedule an appointment.

HLC Fact of the Day: “You are invited: HLC Site Visit Open Forums and Drop-in Sessions”

You are invited to attend the **Open Forums** and **Drop-in Sessions** that will be conducted by the HLC peer reviewers on November 6 and 7 on the St. Charles campus. Open Forums are open invitation events focused on the HLC Criteria for Accreditation. The peer reviewers will ask questions pertaining to those Criteria and will engage attendees in candid discussions about the institution. Your opinions and observations will be of great interest to the reviewers as they seek a better understanding of our university and validation of what they have read in Lindenwood's Assurance Argument. You are encouraged to attend those Open Forums that your schedule allows. Here are the details: [Read more](#)

You Are Invited: HLC Informational Session on Assessment

You are invited to attend a special HLC Informational Session for those interested in an in-depth discussion of Lindenwood's efforts to improve its assessment program since the last HLC visit in October 2013. Here are the details of the special session:

- **November 2: 4:00 p.m., AB Leadership Room**

As you know, we were required to submit to HLC a Monitoring Report on the Assessment of Student Learning. This session will address that report and should be helpful to all attending given that the team of peer reviewers will likely ask us questions about assessment during the on-site visit scheduled for November 3 on the Belleville campus and November 6-7 on the St. Charles campus.
