Veteran's Day Employee Appreciation Luncheon

The Human Resources Office held its inaugural Veteran's Day Employee Appreciation Luncheon on Friday, Nov. 9, 2017, to honor and support our employees who currently serve or have served in the military. A [slideshow](#) featured a picture of each employee in uniform along with their

years of service and branch of service. During the lunch, Dr. Darcey Lilley, a Lindenwood alumna, spoke to the group about her time as the Chief Learning Officer for Air Mobility Command. Certificates of appreciation were handed out to all in attendance. This is just the first year of this event! We hope to have even more attendees next year! Thank you to all our employee veterans!

Student Research Conference-- Faculty Recommendations

Students who are working on or who have completed original research papers or creative projects can be nominated by a faculty member to participate in the Student Research Conference. Students can either display a poster or give a presentation of their work at the conference. Faculty nomination forms will be available Nov. 13, 2017 on the [Student Research Conference Website](http://www.lindenwood.edu/academics/beyond-the-classroom/student-research/srse-faculty-nominations/). <http://www.lindenwood.edu/academics/beyond-the-classroom/student-research/srse-faculty-nominations/>

If interested, faculty can also recommend a panel presentation for their students. All students who are nominated will be contacted via email and invited to submit an application, which includes a 250-word abstract describing their work. In addition, nominating a student's work does not guarantee that student's acceptance admission to the conference; students who are interested in presenting in the conference MUST submit an application.

Elam Coaches Youth Soccer Team to State Title

Student Life Sports Supervisor Mike Elam has coached girls youth soccer for several years, but winning a state title has been elusive, until now.

The Lou Fusz Soccer Club (LFSC) with Mike Elam at the helm began pool play in the Missouri State U18 2000 Girls division two weeks ago at the Lou Fusz Soccer Complex in St. Louis, Mo. His team ran the table, going 3-0 while outscoring opponents by a combined 11-0.

The semifinal match against SLSG Premier was played on Nov. 11, with LFSC winning 1-0. On Sunday, LFSC defeated the KCSG Academy 1-0 to win the 2017 Missouri High School Girls State Cup.
