Remarks-

Ezekiel Williams a hunter of the Missouri Fur Company was on his way from the Rocky Mountains with a considerable quantity of Fine Furs- He Struck the Arkansaw below the mountains and descended that river to within about 150 miles of the Verdegris when a band of Kansas found him on the 23<sup>d</sup>. of June last, they robbed him of all he had with him, and very much abused him as he says, and kept him prisoner 'till about the 15. of Aug<sup>t</sup>, when they released him, and Restored the greater part of his property- the Balce. I have this day caused the Kansas to refund and pay for, except a few articles which they deny having taken- I have also recovered Dr. Cool's Horse and the value of Durham's mare - and have compeled them to leave in my hands Sufficient Furs to pay the expense of feeding Said animals till their proper owners can Receive them.
