Assessment Tip of the Week: "Updates on Lindenwood Institutional Effectiveness Academy"

Assessment Tip of the Week:
"Updates on Lindenwood Institutional Effectiveness Academy"
(February 27, 2017)

The Office of Institutional Effectiveness announced last May the launching of the [Lindenwood Institutional Effectiveness Academy](#). The mission of the Academy is as follows:

1) *to strengthen our university's efforts at continuous improvement by engaging members of the Lindenwood community in assessment-related and other action projects*; 2) *to improve student learning by promoting collaborative problem-solving and the sharing of ideas, expertise, and findings*; and 3) *to increase institutional capacity by facilitating successful execution of proposed action projects via institutional support*. Men's Volleyball Hosts Lewis on Thursday Night

The Lindenwood men's volleyball team will be home on Thursday night with a 7 p.m. contest against conference rival Lewis. The Lions are coming off a thrilling 3-2 victory last Saturday versus Fort Wayne, and will look to continue their winning ways against the No. 5 team in the NCAA Division I-II national poll.

Admission to the contest is free for all Lindenwood faculty and staff.

Terry Copeland Named Belleville Campus Employee of the Month for January

Terry Copeland, site supervisor for information technology, has been selected

as the Lindenwood Belleville Employee of the Month for January.

Copeland has been a vital part of the campus community since 2014. He currently leads and manages all information technology services on the Belleville campus, including the Copy Center, hardware/software deployment, printing, and lab and classroom technology solutions. He's also heavily involved

in the strategic planning and implementation of technology goals for the

Belleville campus. His eagerness to ensure services run smoothly for not only students, but also faculty and staff is what makes others appreciate him so much.

Copeland was nominated for Employee of the Month by Professor of Mathematics and Division Chair of Sciences, Dr. Rahim Karimpour. "Terry takes extra steps to resolve any issues this division has," said Karimpour. "He assists the Math Department in implementing the software required for MTH 05100, and I've found him to be a dedicated employee who likes to assist anyone whenever it is needed."

Not knowing he was about to receive the Employee of the Month award, Copeland stayed late to help President Barger with a laptop problem, but instead he discovered the framed certificate lying on the keyboard.

"I read it and was in total shock," said Copeland. "I told President Barger how thankful and honored I was to receive it, and we had a good laugh about how I came over with papers in hand ready to work on his laptop. I was so appreciative and humbled by the gesture of being nominated and receiving such an award."

IT Announcement – Workday System Scheduled Outage

Workday outage timeframe:

Friday, March 10, 2017 at 8 p.m. – Wednesday, March 15, 2017 at 11:59 p.m.

Workday will be unavailable beginning March 10 at 8 p.m. to implement Workday Finance. **During the outage timeframe, all features of the Workday system, including time tracking, will be unavailable via all Internet browsers and the mobile app.**

Access to all other IT services, including the website, network, wifi, Canvas, CAMS, the portals and email will be unaffected by this outage. The update to Workday will be completed by Wednesday, March 15 at 11:59 p.m. **Employees that will be working during the outage windows will need to track their time manually and those hours will need to be entered into the Workday system by their manager when Workday is back in service. Note that all hourly employees must have their timecards submitted and approved for that timecard by Monday, March 20, 2017 at noon.**

We are sorry for the disruption in service during this implementation of the next feature in Workday.

Questions or Assistance?

If you have any questions or require assistance, please contact the IT Help Desk at HelpDesk@lindenwood.edu or via the helpdesk phone **636-255-5100**.
