Posting of Fliers on Campus

So that your activities, classes, etc. can best be promoted and so that bulletin boards don't get oversaturated, there are two different types of bulletin boards throughout campus. Academic fliers (classes, research projects, study abroad, etc.) are approved through the Provost's Office and are hung on the academic bulletin boards located in the following places:

- Outdoor Bulletin Board by Butler Library (will need to get key from Provost's Office)
- Inner Butler Library
- Young Hall

For permission to post within academic buildings, please contact each building's director. If you are unsure who is the building director for a particular building, please contact Sammie Kennedy at skennedy@lindenwood.edu.

Event/activity fliers (speakers, films, fairs, etc.) are approved through Student Involvement and are hung on the activities boards on campus by Student Involvement staff.

If you would like fliers hung in the residence halls, please provide 22 copies to Student Involvement.

Questions? Contact Angie Royal at aroyal@lindenwood.edu.
