NOTE

"Sister Angelica" by the famous and celebrated composer Giacomo Puccini, is unique in operatic literature because it features an all-feminine cast of singers. It is also unusual because it is Puccini's only One Act Opera. The English translation used in this performance was made by Herbert Withers.

ACKNOWLEDGMENTS

Presented by special arrangements with G. Ricordi & Co., New York.

Assistance in staging by Mr. Charles Bushnell and staff.
Chimes loaned by the St. Charles, Missouri High School.
