Nominate a Staff Member

Did you enjoy the faculty and staff Awards and Recognition ceremony last month? Wondering how you can nominate a deserving colleague? We are now accepting staff award nominations! Staff members can be nominated for one of the following award categories:

Real Experience. Real Success.

This award honors and recognizes a staff member who made a significant positive impact within their department and across the university throughout the previous year. They have maintained a high level of productivity and consistent quality of work, demonstrated a high degree of initiative in the performance of functions, displayed exceptional dependability, maintained effective relationships with others, and demonstrated leadership qualities.

Rookie of the Year

This award is given to an outstanding staff member within their first year of service with the university. This person demonstrates excellence in overall job performance, provides significant contributions to their department, shows a willingness to assist beyond normal expectations, demonstrates dedication to the university and promotes an atmosphere of collaboration and cooperation.

Lindenwood Staff Service

This award is presented to a staff member who has exhibited the highest level of service to and promotion of Lindenwood University. Service could have taken place within Lindenwood or in the surrounding community. This person demonstrates a commitment to providing excellent service to peers, students, parents, faculty, alumni, and/or others in the community, all of which contribute to the high reputation of Lindenwood.

Behind the Scenes

This award is given to a staff member who works in a position that does not directly interact with students but they still live the Lindenwood University mission and provide excellent service to the university through their role by significantly contributing to their department; this is an exemplary colleague and university recognized resource who provides the highest quality of service to the Lindenwood community.

Student G.E.M. (going the extra mile)

This award recognizes a staff member who has made an ongoing commitment to providing expert service to Lindenwood's students; they have demonstrated initiative and creativity, exceptional and continuous improvement in student service. This award's nominations should be submitted by students of Lindenwood.

For more information on staff awards, such as eligibility, selection and award processes, prizes, and previous winners, **visit this page**. Thank you you for nominating a deserving staff member today!

ARTificial Intelligence and the Humanities: Facilitating Interdisciplinarity in Higher Ed

Call for Submissions:

Special Issue: ARTificial Intelligence and the Humanities: Facilitating Interdisciplinarity in Higher Ed

International Journal of Emerging and Disruptive Innovation in Education (iJEDIE) invites submissions to the special issue investigating the interdisciplinary intersections of the arts and sciences. More specifically, how arts and humanities disciplines provide a critical perspective and skills development in postsecondary education that will prepare students for the future of work with AI and emerging technologies.

The journal is an online, double-blind peer-reviewed and open-access journal published by Lindenwood University. iJEDIE seeks to provide a diverse, interdisciplinary forum for the publication of original peer-reviewed scholarship, data, and research addressing intersections of education and technology with no publication fees.

Deadline: October 1

Acceptance Notification: Within 30 days from the date of manuscript submission
