Undergrad Students Can Check Midterm Grades Through Student Portals

10/8/2008

 **Print Friendly**

For the first time, undergraduate students will be able to check their grades by accessing their student portals. Beginning on Monday, October 13, students will be able to go to their student portals and view their midterm grades, financial statements, course schedules, transcripts, and financial aid. Paper copies of midterm grades will not be mailed.

All students, graduate and undergraduate, can use their portals to view final grades, statements, schedules, transcripts, and financial aid. If students have questions about using their portals, they should contact the CAMS support team at CAMSSupport@lindewood.edu.

Undergraduate students will soon be sent by e-mail detailed instructions on how to access the student portal and view their information.
