Dr. Sir

We have for some time had a parcel of medals on hand at the mint under that direction of John Vaughan Esq Philad^a -- when I left that place he told me he calculated on having a considerate part of them finished in a few days and promised to send them on by mail as fast as they were finished -- from my not hearing from him since my return, I fear something has occurred to retard the work. These medals are immediately wanted to forwards with a parcel of goods now in readings to be forwarded to several indian tribes -- calculating on your still being in Philad^a -- I have taken the liberty of asking the favor of your calling on Mr Vaughan for when I enclose you a letter -- should you be returning this way in a few days S would be much obliged by your bringing on some of the medals with you -- if not please ----- Mr. Vaughan to have them all finished and sent on as fast as possible -- if we do not receive them in a few days they will be too late for the goods now ready to be sent off.
