Vol. 91

ST. CHARLES, MO., May, 1922

No. 11

Entered at the St. Charles Missouri. Postoffice as second class matter

Great Improvement for the Physical Education Department Next Year

Work has begun on a forty-five foot addition to the gymnasium to take care of the increased enrollment in the Physical Education Department next year. The swimming pool is of adequate size but there has not been enough room for apparatus work, basket ball, baseball, and other forms of gymnastic work. With the increased size it will be possible to have double courts for all games, bringing the entire equipment of the Department up to the standard requirement of all four year colleges and universities.

LINDENWOOD'S LARGEST GRADUATING CLASS

Lindenwood College will graduate the largest number of students in the history of the college this year. Of the ninety-five who are graduating eight have completed the four-year requirements and receive their degrees; thirty have done thirty-two hours of work and receive the Junior College degree of A. A.; sixteen are receiving diplomas in various departments; sixteen, certificates; and twenty-five will graduate from the Academy Department, having done the equivalent of four years of High School work.

Of the eight students receiving degrees from the Senior College, Miss Louise Child of Richmond, Missouri, Miss Grace Chandler of Stevensville, Texas, and Miss Florenz Smith of Walla Walla, Washington, are to be given the A. B. degree; Miss Patti Hendy, Jefferson City, Missouri, will receive a B. S. in Education; Miss Velma Lucille Pierce of Neosho, Missouri, a B. M. in Piano; Miss Julia M. Horner, Grand Rapids, Michigan, will be awarded a B. S. in Physical Education; Miss Bernice Elizabeth Diekroeger of Wright City, Missouri, B. O. in Expression; Miss Eva Mae Fleming, Jerseyville, Illinois, and Miss Mildred Dial, Caldwell, Kansas, B. S. in Home Economics.

SECOND SENIOR CLASS

This is the second class graduating from the Senior College, and the first class to receive degrees since the admission of the College to the North Central Association of Colleges and Universities. The students in Home Economics this year are graduating under the requirements as set down by the Federal Board of Vocational Education.

The class receiving the Junior College degree of Associate in Arts is graduating thirty students. This is not the total number of students in the Sophomore College class, but a number of the girls are arranging their courses to complete the four-year course, and for this reason this class is smaller than it would be for the Junior College.

Those receiving the degree of Associate in Arts are as follows:

Sarah Marie Arthur, Denison, Texas; Melvin Eugene Bowman, Sikeston, Mo.; Elizabeth Burgenstock, Carrollton, Mo.;

Mary Priscilla Calder, St. Charles, Mo.; Hazel Elizabeth Coley, Texarkana, Ark.; Elizabeth Elliott Deming, Oswego, Kan.; Florence M. Griffeth, Rockwell City, Iowa; Roberta Allene Guthrie, Macon, Mo. Maxine Jackson, Mena, Ark.; Helen Jones, Shelbina, Mo.; Ruth Kern, Butler, Mo.; Roma Key, Pine Bluff, Ark.; Mary Louise Martin, Parsons, Kan.; Hazel Ann Howard, Hutchinson, Kan.; Helene Frances Millsap, Grove, Okla.; Lucy S. Mullinax, Princeton, Mo.; Mary Louise Ozement, Harrisburg, Ill.; Louise Parkin, Little Rock, Ark.; Mary Lucille Redden, St. Charles, Mo.; Margaret Ruth Roy, New London, Mo.; Caroline Sheetz, Orrick, Mo.; Anna Jane Shelton, Chillicothe, Mo.; Mildred Silvers, Butler, Mo.; Frances Elizabeth Smith, Beatrice, Nebr.; Janet Ruth Steedman, St. Louis, Mo.; Adele Harper Stine, St. Louis, Mo.; Kathryn Weiss, Evansville, Ind.; and Mary Catherine Yount of Shelbina, Mo.

DIPLOMAS

Diplomas are awarded in the Special Courses to students who complete the required number of hours in a specified course, but who do not fulfill all requirements. In the department of Arts and Sciences, the following girls will be awarded diplomas:

Diploma in Piano: Ella Louise Clark, Stigler, Okla.; Josephine M. Erwin, Fairfax, Mo.

Diplomas in Violin: Nan Core of Pine Bluff, Ark., is the only student graduating in violin this year.

Marian William Titus of Excelsior Springs, Mo., is the only student receiving the Diploma in Pipe Organ.

Diploma in Voice: Frances Marquis Becker, St. Charles, Mo.; Esther McCarrrell Saunders, St. Joseph, Mo.; Gladys M. Sullivan, West Plains, Mo.; and Marjorie Wiley of Joplin, Mo.

A Diploma in Expression is to be granted to Ida Felicitas Hoeflin of St. Charles, Mo.

Eugenie May Andrus of Lake Charles, La., will be awarded the Normal Diploma in Physical Education.

A Diploma in Home Economics will be given to Katherine Tinsman of Denison, Texas.

Thelma Rich of St. Louis, Mo., is the only student to receive the Diploma in the course in Library Science.

CERTIFICATES

Certificates were granted in a number of courses. The Home Maker's Course is designed primarily for the girl who is a high school graduate and who wishes two years of special training in the management of a house, and a certificate is granted at the end of the two years if the student has met all the requirements for the course. A certificate is granted to those in the Expression department who have completed all the work required for a diploma but have not met the literary requirements. A Certificate in proficiency in Public School Music is granted to students completing the course in Public School Music, who are also proficient in piano and voice. Certificates are also granted in the Secretarial department, at the completion of two years of work, and in the Physical Education department in Playground.

Mierin Litman, Coffeyville, Kansas, Stella Elva Rowland, Hobart, Oklahoma, and Agnes Walker of Butler, Missouri, are the 1922 graduates in the Home Maker's course and will receive certificates.

Mercedes Hicks, St. Louis, Missouri, and Elwilda Belle Springer of Tulsa, Oklahoma, are the ones to receive the certificate in Expression.

The Department of Public School Music is granting certificates to five students: Frances Marquis Becker, St. Charles, Mo.; Esther Alice Hund, St. Joseph, Mo.; Josephine Claire McNay, Pacific, Mo.; Esther McCarrell Saunders, St. Joseph, Mo., and Marjery Wiley, Joplin, Mo.

Five girls are graduating from the Secretarial department, and will receive certificates. They are: Nellie Elizabeth Iller, Coffeyville, Kan.; Sarah Levine, Jonesboro, Ark.; Alberta W. Metzger, Chillicothe, Mo.; Miriam Christine Schwarz, Jackson, Mo.; and Geraldine Hortense Wills, of St. Charles, Mo.

Eugene May Andrus of Lake Charles, La., is the only one to receive the Certificate in Playground.

Fannie Harris and Maria Madeline Hill of Smithville, Texas; Blanche M. Traynor, Dodge City, Kan., and Lorene White of Whiteside, Mo., will receive a certificate in Piano.

An Academy class of twenty-five students who have completed the equivalent

of four years' high school work, or fifteen units of work, are to receive their diplomas. They are as follows:

Sloan, Odin, Ill.; Lucille Stuart Spaulding, St. Louis, Mo.; Alma Grace Weissgerber, Lebanon, Mo.; Eva Mae Wiener, St. Louis, Mo.; Elizabeth and Marjorie Wyman, St. Louis, Missouri.

STATES REPRESENTED

The graduates of Lindenwood College are representative of twelve states. Missouri, naturally, shows the largest percent of graduates, but other states show a good average. The states that are represented in the graduating class of 1922 are as follows: Missouri, Texas, Michigan, Illinois, Kansas, Arkansas, Iowa, Oklahoma, Nebraska, Louisiana, Colorado and Washington.

Of the total number of ninety-five graduates only four are receiving more than one degree. Mercedes Hicks is graduating in the Academy department and will also receive a Certificate in the Expression department; Marjery Wiley is a graduate in Voice and will receive the Certificate in Public School Music, as will also Frances M. Becker and Ester Saunders.

The Graduating Classes are girls of high ranking and are a fine, loyal, representative group of the real Lindenwood student. Many of them intend to teach; many to enter other schools for advanced work, and a number of them will return to Lindenwood to work toward a degree in whatever they may be most interested.

DR. FAIRCHILD AT LINDENWOOD

Prof. A. H. Fairchild of the English Department of the University of Missouri lectured on "Latin and Its Relation to English" at the regular meeting of the Lindenwood Faculty held in Margaret Hall Tuesday evening, March 21, at 8 o'clock.

"Will and force are the products of

Latin civilization," stated Prof. Fairchild. "The danger of the civilization of today is sentimentalism. Our moral development has not kept pace with the scientific development. Everything is directed toward sentiment. We are intent on gratifying our feelings, our emotional selves. Where there is no vision the people perish. Latin is the vital place to get just the conception needed in America today.

"The English used by students of today is in its highest point of demoralization," Prof. Fairchild continued. "The English language has broken down since the classic languages have been taken out of the college curriculum. Sixty per cent of the words of the English language are Latin, thus through its study we learn a discrimination of word values not to be had elsewhere. The decadent stage of our vocabulary is also caused by the extensive use of slang, and there are no possibilities of slang in Latin composition. Latin cannot be written without subordinating unimportant ideas in the subjunctive mood. There is no technical way to learn to subordinate thoughts in English, and relative subordination makes speech effective. Also Latin has few abstract nouns and compels us to carry the thoughts in the verb which again increases the force of our expression. Thus only through a thorough knowledge of Latin are we able to make the best and most perfect use of the English language."

KROEGER RECITAL

Thursday morning, February 23, at the regular Assembly hour, Mr. Kroeger gave a piano recital in the Auditorium at Roemer Hall.

As most of this artist's recitals are in the form of illustrated lectures, the time spent in listening to them is not only a pleasurable experience but is instructive as well.

The Classic, Romantic and Modern periods were described in an interesting and intelligible way; the lecturer illustrating each period, as he went along, with music chosen from representative composers of that time.

At the close of the recital it seemed to be the unanimous opinion that to listen to this type of work was exceedingly educational. There was also genuine enthusiasm noticeable when the suggestion came from several sources

that Mr. Kroeger be offered an annual lecture engagement at Lindenwood.

His program was as follows:

CLASSIC MUSIC

1. Fugue in C Minor.....Bach
2. Courante in F Minor.....Handel
3. Adagio from Sonata in F.....Mozart
4. Theme and Variations from Sonata, opus 26.....Beethoven

ROMANTIC MUSIC

1. Scherzo in E Minor.....Mendelssohn
2. Warum (Why).....Schumann
3. Nocturne in F Sharp Minor.....Chopin
4. Waldesrauchen (in the Woods)...Liszt

MODERN MUSIC

1. Arabesque in E.....Debussy
2. Barcarolle in G Minor.....Rachmaninoff
3. Clair de Lune.....MacDowell
4. Dance of the Elves.....Kroeger

GIFTS TO LINDENWOOD

Lindenwood students have, from time to time, expressed their love and appreciation for the school by various gifts, through the medium of the different departments.

The custom originated a number of years ago, and at one time the Art department, each year, gave money toward new magazines for that department. The custom was revived, when, in 1919, the Sophomore class presented to the College the statue of the Winged Victory of Samothrace, and the Junior class of the same year presented the bust of Washington from the Houdon statue.

The Latin department have already given three plaques. These are "Aurora," after the picture by Guido Reni, a large relief; the "Menos Procession of the Nine Muses," the original of which is in the Louvre, and "Nike Untying Her Sandal," from the original in the Acropolis Museum, Athens.

The Greek Art and Archeology class will soon present the "Flying Mercury," by Giovanni da Bologna, to the College.

Last year the Horace class left a picture of the ancient Coliseum, which is to have a companion piece, yet to be selected, from this year's class in Virgil.

There will also be memorial in pictures from students of both the Spanish and French departments.

The Shakespeare Club, which is a part

of the English department, is giving a bust of Shakespeare, a reproduction of the one in Westminster Abbey. With this a bust of Emerson has been selected as the best representative of American authors. These gifts are to be presented before the close of school, with appropriate ceremonies.

THE DEPARTMENT OF EDUCATION

The increase in interest in the department over previous years is gratifying, and is a justification of the action of some years ago, on the part of the administration, in adding the department to the college curriculum. The increase in the number of students taking courses in Education over the previous year is 42 per cent. But better than this is the increase in interest shown by the students in professional preparation for their work after college. The students this year have shown that they really mean to do something in a professional way after their college days are over. The increase in number of students has been mainly in the more advanced courses, dealing with technical phases of the teacher's work. Also the interest has been seen in the membership and attendance at the meetings of the Education Club. These meetings have been attended by a majority of those taking courses in Education, and the meetings have centered their programs around the idea of developing a professional attitude.

Inquiries from students concerning work in Education indicate that the enrollment in the department next year will be larger than ever before, especially since the inquiries are coming from students who have had one or two years of college work. Students are advised to do the first two years of college work before doing any work in Education, on the theory that a student should have a wide acquaintance with the fields of knowledge represented by the various college subjects before specializing in any one of them.

The future policy of the department will be to train High School and Junior High School teachers, and to give some understanding and appreciation of modern educational problems to those girls who wish to take a position of leadership in educational progress in their own communities.

In the training of High School teach-

ers there must necessarily be close cooperation between the Department of Education and the other departments. As an illustration of this, next year the College will meet the conditions imposed by the Vocational Education Board of the State of Missouri for the certification and approval of teachers for Vocational Home Economics in the high schools of the state. This will enable graduates of the Home Economics Course who have had the required work in Education to qualify for teaching these courses in high schools.

The department also undertakes, in cooperation with the Secretary of the College, to place students in teaching positions where a fair measure of success in their work may be assured. Alumnae and friends are asked to help in this work by notifying the College of positions open and the kind of teacher desired. This will be of great value to the girls who go out as graduates, and will also enable the College to serve communities better by a careful selection of those fitted to do good teaching under the varying conditions of different communities.

MISS LINNEMAN TO EUROPE

Miss Alice Anna Linneman, head of the Art department of the College, is planning a trip to Europe extending from June 3 to August 20. The party which she will conduct plans to travel in France, Italy, Switzerland, Bavaria, Germany, Holland, Belgium and England. Her party will include a number of former Lindenwood students from other cities who will join her in St. Louis.

SPANISH CLUB

Viva Espana, Mexico y el Spanish Club!

The regular meeting of the Spanish Club was held Monday, March 28.

Miss Kathryn Weiss talked about some of the important cities of Spain, using a map, postal cards, and an anagram game to illustrate her talk, and make it more impressive.

The Mexican part of the program was the chili con carne, which was served as the members arrived.

The Spanish Club was organized four weeks ago. Its purpose is to increase

the interest in Spain and Spanish America among the students of Spanish at Lindenwood.

The officers of the Club are: President, Lois Luckhardt; vice-president, Allen Guthrie; secretary and treasurer, Adele Stine; executive board member, Harriet Ridge.

MISS McMAHAN WRITES

"One can't lose her interest in Lindenwood," said Miss Mary McMahan, former head of the Journalism department, in a letter to Dr. Roemer. She continues: "But, really, I don't feel so very far away, for I have met or heard from so many friends I met in St. Charles. Grace Godfrey visited me last week for several days and it seemed so good, as I hadn't seen her for several years. She looks perfectly fine and seems very happy in her work. I met Miss Grinan on the street again and she is on the editorial staff of a daily trade journal. Miss Kinsley came to New York this week and is studying voice. Frances Dunwoody stopped off for a couple of days on her way home from a trip around the world and Leontine Ginter and I more than enjoyed visiting with her. Leontine recently left Woman's Home Companion and is with an advertising firm."

ATHLETIC ASSOCIATION

One of the most beautiful social events of the year was the banquet given by the Lindenwood Athletic Association for its officers, members and guests in the Home Economics rooms Saturday, April 8, at 7 o'clock.

Decorations for the banquet were in yellow and white and were carried out in place cards, menu and large baskets of yellow jonquils, daffodils and white hyacinths.

Miss Julia Horner was toastmistress and toasts were given by Mrs. Roemer, Miss Templin, Kathleen Fleming and Eva Fleming.

Officers of the Athletic Association for the coming year have been elected and are as follows: President, Kathleen Fleming; vice-president, Mary Clark; secretary, Marion Pohlman; treasurer, Page Wright.

Miss Kathleen Fleming represented the Lindenwood College Athletic Association at the Athletic Conference of American College Women which was held in Boulder, Colo., during our spring vacation. There were seventy-five delegates and twenty-eight schools represented. Among the subjects discussed were High School Athletics, Picking Squads by the Merit System, and Basket Ball. The conference decided to use the two line, three division method of basket ball which is now in use at Lindenwood.

Y. W. C. A.

Plans for the Y. W. C. A. for the year 1922-23 indicate that the association is keeping step with the development of the College. New officers for the coming year are as follows: President, Pauline Reeder; vice-president, Frances Titzell; secretary, Janice Janes and treasurer, Harriet Ridge.

Our Y. W. C. A. is now coming to the close of a very successful year with a membership of one hundred per cent of the student body and a sense of having been a great help to all the students.

In addition to holding regular weekly meetings and giving a number of delightful social affairs during the year, the "Y. W." has also kept in touch with the other organizations in the College and has sent delegates to the National Y. W. C. A. convention held in Hot Springs, Ark., April 20 to 27. The delegates to the convention were Pauline Reeder and Adaline Ayres.

The organization at Lindenwood will also send two or more delegates to the convention to be held at Estes Park, Colo., this summer.

ALPHA SIGMA TAU

Alpha Sigma Tau, an honorary literary society to take the place of Phi Theta Kappa, was organized at Lindenwood in March.

Phi Theta Kappa is an organization found only in Junior Colleges and when Lindenwood became an accredited four year college the chapter which had been active at Lindenwood since 1917 was automatically dropped from the roll.

The new society of Alpha Sigma Tau was organized with the aim of fostering among the students a devotion to higher

education and to the ideals for which Lindenwood College stands. Requirements for admission are similar to those of Phi Theta Kappa and other honorary literary societies and are arranged to meet the standards of the four year college.

Officers and members of Alpha Sigma Tau are as follows: Faculty advisors, Dr. and Mrs. J. L. Roemer and Miss Lucinda de Leftwich Templin; honorary members, Miss Cora Maud Porterfield, Miss Margaret Spahr, Miss Katherine Hankins, Miss Mary Lear and Miss Ethel Boyce; president, Louise Child; vice-president, Gladys Carnahan; secretary, Ruth Roy; treasurer, Mildred Dial.

Active members: Melvin Bowman, Priscilla Calder, Elizabeth Cowan, Dorothy Ely, Allene Guthrie, Patti Hendy, Alma Murphy, Margaret Owen, Helen Peyton, Marion Pohlman, Anna Shelton, Ruth Steedman, Marion Stone and Agnes Walker.

ALPHA MU MU

Alpha Mu Mu, the honorary musical society of Lindenwood College, pledged the following girls at the beginning of the second semester: Blanche Traynor of Dodge City, Kan.; Martha Porter of Lathrop, Mo.; Marion Titus of Excelsior Springs, Mo.; and Mary Virginia Bauer of Mitchell, South Dakota.

The officers of Alpha Mu Mu for the year 1922-23 are: President, Gladys Sullivan; vice-president, Esther Saunders and secretary-treasurer, Velma Pierce.

MISS TEMPLIN ENTERTAINS

Miss Templin was the hostess at a luncheon at Daniel Boone Tavern, Columbia, Mo., last week in honor of Mrs. Libbie Thompson, the mother-in-law of Dr. J. C. Jones, president of Missouri State University.

The luncheon was the occasion of the organization of a Columbia Lindenwood College Club. There are thirty members of the new Club and Mrs. Thompson is the oldest member. She graduated at Lindenwood in 1856.

Other guests present at the luncheon besides the resident alumnae were President and Mrs. J. C. Jones and Prof. and Mrs. John Sites Ankeney of the University.

The officers chosen for the Club

were: President, Marion Playter; vice-president, Maxine Heimbaugh; secretary, Iola Woodfill; treasurer, Betty Mitchell.

President and Mrs. Jones extended an invitation to the Club to hold its May meeting in their beautiful home in Columbia.

MISS HATCH GIVES RECITAL

Classical music numbers were presented by Miss Lucile Hatch, teacher of piano at Lindenwood College, in a recital, Friday evening, March 24, at Roemer Hall.

In one of the numbers, "Concerto, A Minor," first movement, by MacDowell, the orchestral part was played on a second piano by John Thomas, director of the Department. Other numbers were "Prelude" and "Pierrot the Dreamer," by Schutt; "Arabesque in G Major" and "Danse in E Major," by Debussy, with a series of Chopin, "Two Preludes," "A Major, C Minor," "Impromptu in A Flat, op. 29," "Funeral March," and "Valse Brillante, op. 34, No. 1."

—Globe-Democrat.

LINDENWOOD GIRLS EDIT PAPER

A complete edition of the Banner-News was gotten out by the Lindenwood girls on Saturday, April 29. The subject matter was secured in the college and the news and editorials were gleaned largely from class room and campus. Such town news that was thought necessary as well as telegraph news was included.

In the headlines the girls of the Journalism department exercised a great deal of ingenuity in demonstrating what they have learned along this line from their comparative study of American newspapers.

Miss Jeanette Collins, formerly of the Red Cross Publicity Bureau, is at the head of the Journalism department.

GIRLS OF YESTERDAY North, South, East and West

Miss Alice Linneman has received an interesting letter from Mrs. F. S. Hurst of Brooklyn, N. Y., in which she tells of the whereabouts of Mrs. C. R. Hav-

ighurst, one of the "girls of yesterday" of whom we have been very anxious to get information.

Mrs. Hurst tells us that Mrs. Havighurst is at the head of all the children's foreign missionary organizations of the Methodist Episcopal Church. She is also a writer of verse and plays for children. Mrs. Havighurst edits monthly letters for a number of church magazines that have a circulation of more than 70,000 copies.

Lindenwood remembers her as Emily Canfield of the class of 1893.

From the "far west" as well as the "far east" we hear of great things which are done by old Lindenwood girls. Mrs. Agnes M. Sherburne (McCormick) writes that Mrs. Bridges of San Diego, a former student of the College, has given the beautiful Bridges Hall and organ to Pomona College.

Another California Club member, Mrs. Mattie S. Hamilton of Alameda, Cal., has been active in the work of the W. C. T. U. in her state and was instrumental in the organization of the Frances Willard House, a home where working girls can obtain room and board at reasonable prices. Mrs. Hamilton was president of the Alameda W. C. T. U. for fourteen years and is a member of the board of directors of the Frances Willard House.

Mrs. Bertha Schaffranek, wife of a famous botanist, writes of her school days:

"We had a large class room with regular school benches in the room in the long frame building which stood on the campus near what is now Watson street, where most of our studies and classes took place. Mr. T. P. Barbour was then president and his sister, Miss Fannie Barbour, had her class room in the Sibley Building and we had to go over there for some of our recitations. The Seniors and Juniors had all their classes in the Sibley Building."

"Thank you so much for the bulletins. They come regularly and I enjoy them so much."—Berynce Schwabe, '18, Charleston, West Virginia.

"I do enjoy reading the bulletin as it gives the news of Lindenwood, and sometimes it gives news of some dear schoolmate and brings to my mind the dear old, happy days when we were girls together.

"I do hope there may be some who will write and let us know all about themselves.

"Hoping that I may see something in the next bulletin about some of the 'Girls of Yesterday,' I remain,"

Emma Walton Bland,
527 S. Main St., Jacksonville, Ill.

Mrs. J. R. Fischupp (Olga Swanson), 1919-'21, writes:

"I am going to St. Louis in the near future and want to come back to dear old L. C. Have joined the Chicago Lindenwood Club and like it just fine."

Mrs. Joe F. McPherson (Mildred Scott), 1919, Washington, D. C., writes:

"I was so happy to have my first word from Lindenwood yesterday and think I read every line of the entire bulletin. Changing my name and address recently had caused a delay and I missed 'news' from my school so very much.

"Already I have sent you all the information concerning myself and am so anxious to see the new book for I am sure it will be a success.

"My very best wishes to you all."

"I want to send my thanks to the school for your kindness in keeping me in touch with the past, present and future of dear Lindenwood through the copies of the bulletin."

Jean Isabel Rose,
Webb City, Mo.

Mrs. Henry Whiteley (Isabel Nixon), class of 1876, a daughter of Rev. J. H. Nixon, D. D., former president of Lindenwood, who has had her residence in Sienna, Italy, for a number of years, has sent us her changed address. She is now at Chateau le Prieure, Saint-Marthe-du-Vieux-Belleme, Orne, France.

Mrs. Mary Irwin McDearmon (Mary Irwin), class of 1878, also a daughter of President Nixon, has promised a

sketch of her father's life to the College. Mrs. McDearmon is collecting data from old Lindenwood girls who were students during her father's time. She is very interested in the College as it is now and has done many things toward compiling historical material for the College. She writes of her daughter:

"My daughter, Mary Irwin (now Mrs. George S. Warren) of Ross Field, Cal., was at the last meeting of the Lindenwood Club, and was elected vice-president. She invited the Club to have their next meeting in April with her at the Aviation Field, nine miles from Pasadena. On March 26, Captain Warren received orders to proceed to Langley Field, Virginia, so lately depleted by the Roma disaster. In two days they were gone, having sailed from San Francisco on the army transport, the Somme, March 28, via Panama.

"The voyage will take twenty-three days or longer. A radio message came to me from San Diego, 'Coming via Panama.' I can hear nothing more until they are near Newport News when they will radio. They will land in New York about April 20."

"I receive my Lindenwood bulletin regularly and it is always welcome for never yet has it failed to bring me good news of someone I learned to love while in school. I imagine the Seniors are busy now making their plans and I'm anxious to hear of them and especially anxious to visit the college and see all of the new things I've read of so much."

Bertha Eastin.

Miss Eastin graduated in 1919 and later took her degree in Agriculture at Missouri University.

LOCALS

Mrs. R. S. Sheetz of Orrick, Mo., has left for her home after a visit with her daughter, Caroline.

"Linden Leaves," the annual student publication of the College, will make its appearance some time in May. The book this year is expected to be the best ever put out by the students and will contain a number of new features. The cover is to be green with a picture of Roemer Hall embossed in gold and it will contain a number of color plates used as frontispieces to the different divisions in the book. One section is given over to

pictures of Miss Ruth Yourtee, the annual queen of 1922.

Dr. and Mrs. Roemer gave a delightful dinner party Saturday evening, April 22, at the University Club in St. Louis, in honor of the Senior class. The dinner was preceded by an automobile ride and after dinner Dr. and Mrs. Roemer gave a line party at the Missouri Theatre. Those present were: Dr. and Mrs. Roemer, Dr. and Mrs. B. K. Stumberg, Misses Louise Child, Grace Chandler, Mildred Dial, Eva Fleming, Patti Hendy, Julia Horner and Florenz Smith.

The Home Economics Department entertained Friday evening, April 21, with a dinner in honor of the Seniors in the department, Misses Eva Fleming and Mildred Dial. Besides the guests of honor there were present: Dr. and Mrs. Roemer; Dr. and Mrs. B. K. Stumberg; Miss Lucinda de Leftwich Templin and Miss Mary Nye.

Mrs. Warner Lewis Forsythe (Willie Overton Minor) of Alpena, Mich., was the guest of Mrs. Roemer the latter part of March. She brought with her Miss Betty Minor Forsythe, her 2-year-old daughter, who was one of the most popular guests we have ever had at the College. Mrs. Forsythe graduated at Lindenwood in 1916 and taught for several years in the Expression department.

Ninety-six cakes and four gallons of ice cream, made by the cooking classes in the Home Economics department, were taken to the inmates of the County Farm by the members of the Sociology and Criminology classes March 24.

The debate between Washington University and Lindenwood resulted in a victory for the Lindenwood girls who debated at the college but a decision was not given in St. Louis because there were only two judges present.

The girls of Butler Hall and Jubilee Hall entertained with a tea Friday, April 8, in the Butler parlors. Their guests were Dr. and Mrs. Roemer and the entire faculty and student body. The parlors were beautifully decorated with baskets of spring flowers and the tea tables were presided over by members of the Senior class. Mrs. Roemer received with Miss Johnson and Miss

Child, the heads of Butler and Jubilee Halls.

Miss Kathryn Hankins of the ancient languages has accepted a position at Colorado University where she will teach in the department of vocational education during the summer term.

Miss Lucinda de Leftwich Templin and Miss Louise Stone attended a convention of the National Association of American College Women in Kansas City, Mo., April 4 to 9.

Mrs. J. S. Seiber of Miami, Texas, was the guest of her daughter, Eva, during the spring vacation.

Mrs. E. O. Kyger of Winfield, Kan., was the guest of her daughter, Margaret, of Lindenwood, April 8 to 11.

An augmented production of the Lindenwood Pageant will be given on the campus the night of Friday, May 26. The pageant is the same one given under the auspices of the Shakespeare Club in January but will have many added features in honor of the May Queen and her attendants.

Dr. John S. Ankeney of Missouri University, non-resident lecturer on art of Lindenwood College, gave the last of a series of lectures on sculpture, architecture and painting in Sibley Chapel Friday evening, April 21.

Dr. Roemer attended the recent meeting of the North Central Association of Colleges and Universities which was held in Chicago. At this meeting Lindenwood was admitted into full membership in class A of four year colleges and universities. This was the final step in the completion of the longer curriculum at Lindenwood.

The Education Club held its April meeting in the parlors of Butler Hall and the program included a talk on English schools by Miss Anna Pugh, head of the English department. Hostesses for the meeting were: Mildred Brown, Mary Ozmont, Cecelia Miller, Anna Shelton and Katherine Yount.

Among the parents of students who have visited at the college during the

past month are: Mrs. J. F. Tinsman of Denison, Texas, who visited her daughter, Katherine Tinsman; Mr. Jesse Core of Little Rock, Ark., who was the guest of his daughter, Nan Core; and Mr. and Mrs. F. S. Gumm of Oklahoma City, who visited their daughter, Harriet Gumm.

Next year Niccolls and Sibley Hall will be used as dormitories for freshmen and special students and Jubilee and Butler Hall will be used as the dormitories for the upper classmen.

Miss Bertha Cooper, who was operated on for appendicitis at St. Joseph's Hospital Wednesday, April 19, continues to improve and will be able to take up her work again in a few days.

A dramatic reading of the Book of Job was given by Miss Evelyn Gurley-Kane of Washington, D. C., at the Sunday evening vesper service, April 23.

Maurice Parker, Marian Kennedy and Lois Hanna, former students of the college, have visited friends here during the past month.

For the first time a prize of ten dollars has been offered for the best costume designed by a member of the class in costume design. The prize is offered by the Lindenwood College Club of St. Louis.

On the annual Sophomore day the Freshmen were absolutely at the mercy of the Sophomore class. By previous proclamation, Freshmen having hair more than 12 inches long wore it in two braids and those having hair less than 12 inches long wore it in not less than six braids. No Freshman was allowed to speak unless spoken to by an upper classman or a member of the faculty. Between classes during the day they were lined up in the hall to hear lectures given by the members of the Sophomore class.

ALUMNAE TEA COMMENCEMENT WEEK

Mrs. Pearl P. Seymour, president of the Lindenwood College Alumnae Association, announces an Alumnae Tea to be given at the College Saturday afternoon, May 27.

OKLAHOMA LINDENWOOD CLUBS ORGANIZED

Two more Clubs have been added to the chain of Lindenwood College Clubs that, through their great enthusiasm, loyalty and good fellowship are spreading the "Spirit of Lindenwood" broadcast over this great land of ours.

"The Lindenwood College Club of Tulsa" and the "Lindenwood College Club of Oklahoma City" were organized by Miss Alice A. Linneman, Secretary of the Alumnae Association and Clubs, during the recent Easter vacation.

On April 14, Miss Linneman presided at a luncheon, given by Lindenwood College, at the Hotel Tulsa to the former students of Lindenwood residing in Tulsa and in the vicinity of Tulsa. Seventy guests responded to the call of their Alma Mater at this function, and amidst much enthusiasm the Lindenwood College Club of Tulsa was launched.

The following officers were elected:

President: Mrs. J. M. Winters (Anna McCullough), 407 Springer Apartments, Tulsa.

First Vice-President: Mrs. Charles F. Bliss (Lucile Markham), Tahlequah.

Second Vice-President: Mrs. C. H. Fenstermacher (Mabel Bennett), 1329 South Norfolk, Tulsa.

Recording Secretary: Miss Dorothy

Weber, 1316 South Main St., Tulsa.

Corresponding Secretary: Miss Mary Porter, 1312 Boston St., Tulsa.

Treasurer: Miss Almeda Bell, Tulsa.

Constitution Committee: Mrs. C. H. Fenstermacher, chairman; Miss Lyle Dickey, 1417 S. Boulder, Tulsa; Mrs. M. A. Shaw (May Bullette), 411 North Tacoma, Tulsa; and Miss Mildred McConnell, 11 Francis, West Tulsa.

On April 17, Miss Linneman presided at another luncheon, given by Lindenwood, at the Huckins Hotel in Oklahoma City, to the former students of the College, from that section of Oklahoma.

Forty guests attended the Oklahoma City gathering, and after the luncheon, the Lindenwood College Club of Oklahoma City was organized, and the following officers elected:

President: Mrs. R. B. Carpenter (Mary W. Elliott), 212 West Fifteenth.

Vice-President: Mrs. A. L. Nims, Jr. (Edwina Peckham), 2829 Classen Blvd.

Recording Secretary: Mrs. W. W. Whiteman (Dana Henry), 810 West Sixteenth St.

Corresponding Secretary: Miss Louise Ferguson, 211 West Tenth St.

Treasurer: Mrs. Clarence Braine (Carolyn Tennant), 431 West Park.

Historian: Miss Elizabeth Ziegler, Hobart, Oklahoma.

Constitution Committee: Mrs. A. L. Nims, chairman; Mrs. Louis D. Abney (Ruth Spoeneman), 2313 West Shartel, Oklahoma City; Mrs. Herbert Moerschel (Maizie Hulver), 1316 West Sixteenth St., Oklahoma City.

The decorations used at the luncheons were in yellow and white—the College colors. Easter lilies, jonquils and white daisies (the College flower) were used to carry out the color scheme.

The place cards in white and gold bore the Sibley crest.

From all parts of the state of Oklahoma, loyal Lindenwood girls came to take part in these happy reunions, and their interest and loyal support, added to that of our other progressive College Clubs, will be mighty factors in the future of their Alma Mater, for with their help Dr. Roemer and the Board of Trustees and Lindenwood Faculty will be able to reach their goal—to make Lindenwood, let us hope, not one of the greatest, but the greatest College of her type in this country.

Here's to the "Girls of Yesterday"!

—Miss Alice A. Linneman.

ST. LOUIS LINDENWOOD COLLEGE CLUB

A most enjoyable affair was the meeting of the St. Louis College Club held on Thursday, March 23, at 3 p. m. at the St. Louis College Club, 5428 Delmar boulevard.

After a short address by Dr. Roemer in his usual enthusiastic manner the following program was rendered:

The program was followed by an informal reception during which delightful refreshments were served.

The house was beautifully decorated with spring flowers in the College colors, yellow and white. The guests were graciously received by the officers of the Club: Mrs. L. E. Crandall (Janet Weber), president; Mrs. Lulu Hynson (Lulu Thurman), first vice-president; Mrs. David Hardy (Nellie Drury), second vice-president; Mrs. W. C. Stewart (Pearl Finger), treasurer; Mrs. E. G. Blankenmeister (Helen Adams), corresponding secretary; Miss Agnes Adams, recording secretary, and Miss Mabel Nix, auditor.

The officers were assisted by Dr. and Mrs. Roemer and Miss Templin.

As this was the Reciprocity and Guest Day meeting of the Club many representatives of other St. Louis clubs and friends of Lindenwood were numbered among the guests.

It was a special pleasure to welcome Mrs. Arthur Gale, who has been in California for the past two years; Mrs. Frank Koenecke, who has just recovered from a long illness, and Mrs. Victor Rhodes, who has always been a loyal supporter of her Alma Mater.

The April meeting of the Club was held at Lindenwood College Thursday,

April 20, with the members of the Club as the guests of the College. They were entertained by a recital given by the expression department in the morning and exhibitions by the home economics and physical departments in the afternoon.

CHICAGO CLUB

The Lindenwood College Club of Chicago met March 17th with Miss Wagner and Mrs. Flanagan at Mandel's Tea Room.

The meeting was especially enjoyable because Dr. Roemer was with us, and told us many splendid things about Lindenwood. Our joy and pride grows with each upward step made by our Alma Mater.

After the usual business, we adjourned to meet in April with Mrs. Joyce and Mrs. Funkhouser.

—Martha E. Flanagan,
Corresponding Secretary.

SOUTHERN CALIFORNIA

Mrs. Mattie Hamilton of Alameda, Cal., a member of the Lindenwood College Club of Southern California,, has written:

"It was my privilege and pleasure to have the Club in January. Those present were Eva Hain, Lillian Krauthoff, Mary Hodgson, Dr. Shields, Miss Evans and Mary Mudd. Mary McMullen was absent, for which we were very sorry.

"We had a good time (only I scolded Eva Hain because she had not sent our money toward the Gate Fund). We talked about the past, present and future of our dear Lindenwood."

REVISED ALUMNAE DIRECTORY

The 1922 revised edition of the Lin-

denwood College Alumnae Directory is now ready to go to press. The new book will contain a supplement, which will have the names and addresses of students who have attended the school, and who are not graduates. This list is a correct one, and for that reason, and because we have not had enough time to hear from all of the girls to whom we have written, is not complete.

So many girls have graduated from Lindenwood. We have records of graduating classes back to the year 1861, but we have not been able to keep in touch with all the girls who have not graduated. Very often we receive inquiries from former Lindenwood girls asking for information about a classmate; something about an old graduate; or the names and addresses of L. C. girls living in certain vicinities. In most cases the College has been able to give this information.

We are asking all former Lindenwood girls to drop us a postcard with their correct name and address; and their maiden name, if they are now married. Our records are only of the maiden names, so that when we hear from Mrs. Jones it is sometimes hard to place the girl.

JUNIOR WEEK

Junior Week, which is inaugurated for the first time this year and which is expected to become an annual affair at Lindenwood, started Monday morning, May 1, at breakfast.

The Juniors came in late carrying May baskets and singing their class songs. They marched up to Dr. and Mrs. Roemer's table and presented Mrs. Roemer and Miss Templin with baskets of lovely spring flowers. After singing a song to their sister class, the Freshmen, they took their places at tables which had been prepared for them.

From that time on the Juniors have been "bossing the College." They simply take the campus, the chapel exercises and the dining room. Wherever you see them they are wearing their class colors and are usually sending some poor sophomore off on an errand.

At the chapel exercise Tuesday morning the Junior president, Miss Kathleen Fleming, read a proclamation which outlined the rules by which the other classes would be guided the remainder

of the week. The Sophomore president, Miss Adalyn Ayers, was given a purple bag filled with salt for each member of her class and told that they were to wear them constantly until the end of Junior Week. They were also told to be out on the campus after chapel and after lunch every day to pick dandelions and get it cleaned up for May Day. Another duty imposed on the sophomores was that they should set up a shoe shining stand in Roemer Hall, dedicate it to the Dean; Miss Templin, and shine the shoes of all the Juniors. The Freshmen were ordered to hold a sale Wednesday afternoon and turn the money over the Junior class.

The Seniors were called to the platform where they were warmly greeted by the officers of the Junior Class and presented with elegant black cheesecloth gowns and royal purple crepe paper caps to be worn until the end of Junior Week. Each member of the class was called upon to make a speech and as usual the Seniors responded with splendid addresses delivered in the best oratorical style.

Tuesday evening the Juniors were in charge of the dance following Dr. Roemer's birthday dinner. The "gym" was decorated in the class colors, purple and white, with balloons and spring flowers. A program which included readings and dances was given by the Freshmen and Juniors.

Wednesday the orders in the proclamation were carried out by the Freshmen and Sophomores. The sale was held and the dandelions were cut. In the evening the Sophomores were compelled to go to study hall from 7:30 till 10 o'clock.

Thursday the annual Junior-Senior banquet was held in the home economics rooms. This was one of the most delightful events of the year. The rooms were decorated in the Junior colors and toasts were given by the following: Mrs. Roemer, Dean Templin, Carolyn Mylls, Louise Child, Grace Chandler, Maxine Jackson, and the Junior and Senior Goats.

May 5. was stunt day and the entire school was invited over to the "gym" to see the Sophomores perform any stunts that the Juniors told them to do.

The week closed Saturday, May 6, with a Junior picnic. For the entire week the College had been at the mercy of the Juniors and it is generally

thought that Junior Week did a great deal to increase the college spirit and gave each student a number of funny things to think of in later years

DR. ROEMER'S BIRTHDAY

One of the happiest days of the year for the students is Dr. Roemer's birthday on May 2. It is always the occasion for a birthday dinner-dance and is looked forward to by the students.

This year the day started by singing songs in honor of Dr. Roemer at breakfast and the presentation of two pictures for his office by the student body and faculty.

In the evening dinner was served at 6:30 and the dining room was lovely, with its decorations of spring flowers with candles on the birthday table and the girls "dressed in their very best" in honor of the occasion. Throughout the dinner songs were sung by the different classes and at 8:30 the dance began in the "gym." The evening was spent in dancing and the girls left reluctantly at 11 o'clock after wishing Dr. Roemer many more happy birthdays.

IMPROVEMENTS ON THE CAMPUS

It is estimated that more than a million dollars will go into improvements on the campus of Lindenwood in the next ten years. Judging from the changes rapidly taking place the estimation is correct.

Work has already started on the 45-foot addition to the gymnasium in Butler Hall; it is planned to make improvements amounting to several thousands of dollars on Butler Way and the other roads on the campus and also to erect a dormitory near what is now Eastlick Hall for the accommodation of the faculty members.

If the plan is carried out the faculty dormitory will be large enough to house the entire faculty and will be of the same style of architecture as the other buildings on the campus.

Lindenwood is growing so rapidly and so many changes are taking place that the girls who go away for a year or two and return can hardly believe that they are in the same place
