CLASS SONG

We are the grand old class of '32,
We're here to lead our school in all we do,
O Lindenwood we'll sing our love for you,
O Lindenwood we'll keep your colors brave and true;
And when we work, we work, but when we play,
We make them step around we know the way,
 know the way,
Lindenwood we're all for you, only you,
 Lin - den - wood !
