Recognize Employees Who Live Out Lindenwood's Core Values!

Use the [link](#) under the 'Announcements' section on your Workday home screen to access the form that allows us to recognize employees that we see living out LU's core values.

Value: We thrive together.

The men's and women's track and field teams competed at Vanderbilt University from January 20-21, and another administrator was needed to attend. **Chandler Diercks** did not hesitate to say yes. As the team's athletic academic coordinator, Chandler already knows the student-athletes on the team. Plus, as a former standout track athlete himself, Chandler knows what track meets entail. Thank you to him for stepping into a responsibility far outside of his required duties, plus giving up a weekend to do so. This really exemplifies how we thrive together.

Value: We do what is right.

Dr. Jennifer Edler was the MVP this weekend. After hosting the women and men's alumni during basketball games, she ran across town to host the swimming and diving alumni as they showed up for their program's final home meet. Dr. Edler leads her team with grace and organization to put these types of events on, let alone multiple in one day! Dr. Edler showed incredible hospitality and warmly welcomed Lindenwood alumni back home for a day.

Every month through January, we will randomly select four employees who have been recognized by their colleagues for living out our Core Values to receive a prize. January's value of the month was "we have grit." Congratulate the following winners:

- Jose Obando
- Amber Bush
- Amy Estlund
- Stephanie Afful
