## Students May Check-In Early

June 30, 2012

Lindenwood University is offering students the opportunity to complete the check-in process early. From 9 a.m. to 4 p.m. July 9-20, students can visit specific administrative offices, collect verification that all requirements have been satisfied, and become eligible to check directly into the appropriate residential facility or attend the first day of class on Monday, Aug. 27.

Students will first visit the Business Office to obtain a check-in booklet and address any outstanding balances, and then move on to Financial Aid to verify their grant and scholarship information. The third stop will be the Work and Learn Department, where students will obtain their assignments and student identification cards. Lastly, students will complete a housing card form and obtain the necessary paperwork signifying he/she is eligible to move directly into his or her dorm.

At each office, an official stamp will be used to verify that the necessary requirements have been met. If an outstanding issue remains, students will not be able check-in until that issue is resolved.

For those who choose not to take advantage of two week early check-in opportunities, regular dates are scheduled for all new freshman students on Wednesday, Aug. 22, and for all transfer and returning students Aug. 25 (N-Z) and Aug. 26 (A-M). The entire process will need to be completed inside the Hyland Arena before students can move in to their assigned University residences.
