Lindenwood Ice Arena Closes for Summer Repairs

May 21, 2013

The Lindenwood University Ice Arena in Wentzville, Mo., has closed for the summer season so that repairs can be made to both ice rinks housed within the building.

Home to the Lindenwood Lions men's and women's ice hockey and women's synchronized skating teams, the arena also serves the public with skating sessions for all ages, hockey stick and puck sessions, birthday parties, and group outings.

Arena officials say the repairs will likely be completed in August. Normal operations will resume at that time.
