January 10, 2019

The Springfield region of the Missouri Association of Elementary Principals has nominated Angela Valchev, principal at Bowerman Elementary with Springfield Public Schools, as Exemplary New Principal. Valchev received her master's degree in school counseling from Lindenwood University in 2005.

Valchev will be honored by the Missouri Association of Elementary Principals at an event in March.

"The faculty and staff of the School of Education are excited to hear of Principal Valchez's nomination as Exemplary New Principal," said Dr. Anthony Scheffler, dean of the Lindenwood School of Education. "Ms. Valchez joins a long line of distinguished School of Education alumni who are making a meaningful contribution to the community through their positive impact on the lives of K-12 students. Congratulations to Ms. Valchez. She is a model for our students and a source of pride for our faculty."
