LINDENWOOD PROGRAMS RECOGNIZED AMONG BEST IN THE COUNTRY

March 18, 2019

Lindenwood University's programs for multimedia design, gifted and talented education, and human resources were recently recognized by different organizations among the best in the country. TheBestSchools.org, OnlineMasters.com, and Study.com recently published their top-ranking schools in an array of programs for 2018 and 2019.

Lindenwood's online bachelor's in game design was ranked first in the country by TheBestSchools.org for 2018. Graduates of this program are prepared to enter careers such as, game designers, animators, and creative directors. [Continue reading about this ranking.](#)

OnlineMasters.com ranked Lindenwood 11th in the country in the category of Best Master's in Gifted and Talented Education Programs for 2019. The program was also singled out for Best Instructional Development. Through this program, educators are given the skill-set and knowledge they need to develop the most effective methods for gifted students in K-12 schools. [Read more on this achievement.](#)

Study.com also recently ranked Lindenwood 28th in its top 50 rankings for human resource programs in the country. The site recognized Lindenwood for experienced faculty with diverse HR backgrounds and small class sizes leading to a more successful atmosphere for learning. [More information on this ranking.](#)
