ONLINE MASTER'S DEGREE RECOGNIZED AMONG BEST FOR ART AND ART HISTORY

June 17, 2019

Lindenwood University has recently been featured as one of the Best Online Master's Degrees in Art and Art History by OnlineSchoolsReport.com. Lindenwood ranked second, nationwide.

The programs chosen by OnlineSchoolsReport.com were ranked by key statistics that measured the programs quality, including student satisfaction, earning potential, affordability, and retention rate. According to OnlineSchoolsReport.com, Lindenwood delivers a unique online Master of Arts in art history and visual culture. The site acknowledges among its benefits Lindenwood's flexible 36-hour curriculum, which may be taken as a hybrid program, either online or in the classroom. Also recognized is the one-year fast-track option, which allows qualifying students the flexibility to finish the degree in just one year. [Continue reading](#) about the methodology used behind the programs chosen for this ranking.

"We are honored to see that once again one of our new online programs in art history and visual culture has been nationally recognized as one of the best for art and design," said Dr. James Hutson, assistant dean of graduate and online programs in the school of arts, media, and communications. "With a thriving community of students across the United States and the world, this dynamic program engages in the latest global dialogues on art and culture and seeks to ensure their relevance to communities both inside and outside of academia in the future."
