Online Bachelor's Degree Ranked Among Top Ten Game Design Programs

Lindenwood University

ONLINE BACHELOR'S DEGREE RANKED AMONG TOP TEN GAME DESIGN PROGRAMS

June 19, 2019

Lindenwood University has recently been featured as one of the Best Online Bachelor's Degrees in Game Design by OnlineSchoolsReport.com. Lindenwood ranked number five nationwide.

The programs chosen by OnlineSchoolsReport.com were ranked by key statistics that measured the programs quality, including student satisfaction, online presence, affordability, and retention rate.

Lindenwood offers a flexible 120-credit hour hybrid program, which allows students to take courses either online, on-campus, or a combination of both. OnlineSchoolsReport.com recognized Lindenwood for this as well as the program's curriculum, which is uses a clear and motivating milestone system. Continue reading about the methodology used for choosing the programs for this ranking.

"We are very honored to be included and recognized as one of the top online game design degrees," said Jeremiah Ratican, chair of game design. "Our department has been working to ensure our students gain the knowledge and skills necessary to be successful in the world of video game design, and we are consistently improving and refining our program based on feedback from game developers and changes within the industry trends and technologies."
