LINDENWOOD RANKED FOURTH AMONG PRIVATE UNIVERSITIES IN MISSOURI AND KANSAS

July 29, 2019

Ingram's, the Kansas City business magazine, published a ranking of private universities and colleges in Missouri and Kansas in its July 2019 issue, based on post-graduate enrollment. With a fall 2018 graduate enrollment of 2,862, Lindenwood ranked fourth between Saint Louis University and Webster University. The list was attached to an article, "Grading Higher Education," in which Lindenwood was also mentioned for the number of master's degrees it conferred in 2017—1,181, which was the sixth most among institutions in the two states.
