BLANCHETTE BRIDGE PROJECT TO IMPACT TRAFFIC TO AND FROM LINDENWOOD

February 17, 2020

Starting Feb. 17, 2020, an extensive maintenance project on the Blanchette Bridge, I-70 at the Missouri River, will result in a schedule of lane closures for the next several months on the east and westbound spans of the bridges.

Initially, two eastbound right lanes will be closed from 9 a.m. to 3 p.m. daily Monday through Friday. Two westbound right lanes will also be closed from 7 a.m. to 2 p.m. Monday through Friday. A full schedule of the [lane closures](#) is available on [StlToday.com](#).

Students, faculty, and staff who use the Blanchette Bridge to commute to campus are encouraged to look into alternate options, such as the Missouri River bridges at I-370 or I-364.
